H2020 Info Day: Innovation and Public Sector

Information Day presenting **ICT-enabled Public Sector Innovation** in the new [EU framework programme for Research and Innovation, Horizon 2020](#) [1]

If you missed it, watch it here:

<http://scic.ec.europa.eu/streaming/index.php?es=2&sessionno=bf40f0ab4e5e63171dd16036913ae828>

[2]

The participants had a general presentation on the programme, its instruments and eGovernment related topics in the work programme 2014 – 2015, including:

- ICT-enabled open government
- engagement of young people (eParticipation)
- emerging technologies in the public sector
- mobile e-government applications by SMEs
- privacy
- cloud of public services

A networking session opened the stage for participants who wished to present their visions and ideas

for research and innovation actions.
