News Article 20 December 2013

Read our FET Newsletter (edition December 2013)

This time the [Newsletter](#) [1] highlight is on the activities following the approval of the new framework programme H2020 and of the work programme for 2014-2015, including our [FET information day](#) [2] in Brussels on 20th January 2014 and the launch of the new H2020 website. We would like also to remind you to possibly further relay our [H2020 call or independent experts](#) [3] mentioned in the 'Top News' section. The newsletter also reports some key results and achievements of ongoing projects and initiatives; present the coming funding opportunities and many more interesting items.
