Hot tech: 7 Greek Start-Ups You Need To Know About!

Press releases10/01/2014

Did you know that it's Greek software which allows your smartphone to access Wi-Fi hotspots? In a surprising twist to Greece's economic story, Greek start-ups are giving the geeks of Silicon Valley a run for their money. That's why Neelie Kroes' [StartUpEurope](#) [1] Tour is stopping off in Athens today.
