13 February 2014 to 14 February 2014

# Information Days on Horizon 2020 Research Infrastructures Work Programme 2014-2015 with focus on e-Infrastructures

Unit DG CONNECT C1 is organising an Information and Networking event on **13 and 14 February 2014** in **Brussels** to present the **e-Infrastructure** part of the [Horizon 2020 Research Infrastructures](#) [1] [Work Programme 2014-15](#) [2].

The Information and Networking event will take place in the **Meeting Room 0A**, at the **Borschette Building, 36 rue Froissart, Brussels**. The first day detailed presentations will be given on the Work Programme, along with time for questions and answers. The second day, the Horizon 2020 Rules for participation will be explained and in the afternoon networking sessions will be organised.

The event is an opportunity to learn about the **e-Infrastructure topics**. You will also have the opportunity to hear about new ideas for projects and to share your ideas, or just to present yourself and your expertise. Furthermore, discussion corners will be available for area specific discussions (HPC, data and computing, VRE, skills). Lastly, you will be able to discuss face-to-face with Project Officers who will be in charge of the topics.

The registration is now closed.

**NEW:** The deadline for submission of presentations has been extended to **10 February, 16:00 CET**.

You can send your questions concerning the content to be presented during the Information Days at the email address [connect-ri-events@ec.europa.eu](mailto:connect-ri-events@ec.europa.eu) [3].

**Webstreaming** will take place during the plenary sessions only (not the discussions on the second day). The link will be available from the event's webpage on DAE:
