Future Internet Assembly - FIA 2014

EventsAthens, Greece
17/03/2014 to 20/03/2014

FIA Athens 2014 will focus on reshaping the Future Internet infrastructure for innovation. The programme features keynotes from the public and private domains in a high-profile plenary as well as in nine parallel sessions. FIA Athens will also showcase a wide range of EU project demonstrations and posters. Prior to the event, thirteen pre-FIA workshops will also take place and a 5G-Public Private Partnership event will be organised on the last day.
