Call for proposals 7 February 2014

Funding opportunities through existing projects in FP7

There are still some openings for funding through existing FP7 projects on robotics through projects such as ECHORD++ and EuRoC or competitions under euRathlon and RoCKIn. You will find the important dates to remember in the table below with links to the websites where you find all the information you need if you are interested in participating.

Important dates to remember:

Project	Event	Dates to remember
euRathlon [1]	<u>Call for papers/participation in EURATHLON/ARCAS workshop 2014</u>	18 th March 2014
ECHORD++ [2]	<u>Call 1 for Experiments:</u> Call opening for pre-proposals and proposals submission	Call opening: 3 rd March 2014 Call closing: 24 th March 2014
euRathlon [1]	<u>Call for the loan of three SPARUS II AUVs and two Teledyne RD Instruments DVLs during the Underwater robotics challenge</u>	31 st March 2014
EuRoC [3]	<u>Call for Challengers + Call for End Users</u>	Call opening: 1 st April 2014 Call for Challengers closing: 30th June 2014 Call for End Users closing: 15th November 2014

euRathlon [1]	Call for participation: Underwater robotics challenge 2014, La Spezia, Italy, 29th September-3rd October, 2014.	Part 1 deadline: 30 May 2014 Part 2 deadline: To Be Confirmed
RoCKIn [4]	Call for participation: Competition Event 2014, Toulouse, 26-30 November 2014 (European Robotics Week)	Deadline: 1 st June 2014 (tentative)
RoCKIn [4]	Call for participation: Competition Event 2015, Lisbon, 25-29 November 2015 (tentative)	Deadline: 1 st June 2015 (tentative)
euRathlon [1]	Call for participation: Team of Terrestrial, Marine and Aerial Robots, 2015	To be decided
RoCKIn [4]	Registration of participation: Camp/Field Exercise 2015, Rome, June 2015	Deadline: To be decided
