Startup Europe Roadshow - First stop Poznan!

Events27/02/2014Poznan, Poland

The Startup Europe Roadshow gets underway at the Poznan University of Technology on February 27. The event will give students and young graduates the chance to meet and learn from successful entrepreneurs who have already gone ahead and built their own ICT businesses.

From case studies on successful start-ups to information on EU funding opportunities for young entrepreneurs, the day will provide both inspirational and more practical advice to encourage young people to start their own businesses.

Meet the role models

Łukasz Olek was Ernst & Young's Entrepreneur of the Year 2013, he is the Co-Founder of Currency One SA which run two leading online foreign exchange platforms, one of which, Internetowykantor.pl, is the leader of online foreign currency exchange in Poland with 125k+ customers.

Piotr Miklosik is the co-founder and IT Director of Mindseater Ltd, a company that develops IT solutions – most notably a new platform for ordering and managing IT projects. Piotr also teaches software engineering and project management at Poznan University of Technology.

You can find out more about Łukasz and Piotr, as well as other speakers, on the [agenda](#) [1] of the event. If you would like to attend you can still register through the [University website](#) [2].

Poznan is just the start...

Can't make it to Poznan? Not to worry, the Startup Europe Roadshow is coming to ten different cities across Europe over the next nine months. Full details regarding the other events can be found on the [EYIF website](#) [3].
