

Digital Single Market

Reports and studies 29 November 2010

Recent developments of the EU telecoms rules.

The 2010 was organised by the Academy of European Law ('ERA') on behalf of the European Commission, Information Society and Media Directorate-General. The seminar mainly focused on: the impact of the revised telecoms rules and other harmonisation measures taken recently in view of the European Digital Agenda; the national judiciaries' role in achieving a truly Single Market by further improving consistency in the regulation of the telecoms sector; the recent developments in the jurisdiction both at national and European level.
