

Digital Single Market

Innovation Convention

Events

10/03/2014 to 11/03/2014

The Innovation Convention 2014 will host a number of “Innovation Showcases” featuring interactive demonstrations of exciting new ideas, products and services from a wide range of fields. Among the few selected projects, CHESS will showcase augmented reality and storytelling experiences specially designed for the Convention participants.

Organiser

The European Commission
