The Human Brain Project just got bigger

One of the biggest EU-funded initiatives, the Human Brain Project (HBP), just announced the beneficiaries of its €8.3 million competitive call for new partners. 32 organisations from 13 countries – Austria, Belgium, Cyprus, Finland, France, Germany, Israel, Italy, Netherlands, Slovenia, Spain, Switzerland and the UK – will join the partnership. This represents a 40% increase in the number of partners in the HBP consortium.
