H2020 Smart Cities & Communities information session - Call H2020-SCC2-2014

Developing a common, transparent data collection and performance measurement framework to allow comparability and replication between solutions and best-practice identification.

DG CONNECT organises an Information Conference Call for the call for proposals SCC2 on 27 March 2014, from 10:00 until 11:00. The event will include a short presentations of the support and coordination action followed by a question and answer session.

People interested to participate are invited to register by sending [us](#) ^[1] an email to no later than Tuesday, 25 March 2014 so that we can ensure adequate logistical support. Practical details will be sent in reply to the confirmation e-mails.

Important! The deadline for sending proposals for this call closure is 7th May 2014 at 17:00 CET.
