eTEN programme

The eTen programme supported the deployment of trans-European e-services in the public interest. eTEN programme covered the following themes: eGovernment, eHealth, eInclusion, eLearning and Services for SMEs. The eTEN programme finished at the end of 2006.

Most of the projects ended in 2009. A few projects are still running with an end date in 2010.

[Have a look at the online project database](#) ^[1] if you are interested in any of eTEN projects.

From 2007 onwards the European Commission supported the electronic services in the areas of public interest through the ICT Policy Support Programme ([ICT PSP](#) ^[2]), which will run until 2013. ICT PSP is a component of the Competitiveness and Innovation Framework Programme ([CIP](#) ^[3]).
