

## Digital Single Market

Call for proposals 28/03/2014

# H2020 Secure, Clean and Efficient Energy - calls EE 8 & EE 11 - Presentations

H2020 - Secure, Clean and Efficient Energy – calls EE 8 Public procurement of innovative sustainable energy solutions 2014 and EE 11 New ICT-based solutions for energy efficiency 2014. The European Commission – DG CONNECT organised an Information Day for the calls for proposals EE 8 and EE 11 on 28 March 2014 am. All presentations can be downloaded here below. The event also included a question and answer session, as well as an open networking session for participants wishing to present their ideas.

The topics above might also be of interest to the Social Sciences and Humanities community involved in societal research that needs to be integrated into the market uptake part, addressing concerns about data security, public acceptance and ensure that citizens see the clear financial benefit of the proposed solution(s).

Important!

The deadline for sending proposals (call closure) for EE 11 is 5 June 2014!

The deadline for sending proposals (call closure) for EE 8 is 5 June 2014!
