

Digital Single Market

Video 22 April 2014

5G Research in Horizon 2020 Webcast

This webcast focuses on key aspects of the 5G EU research activities and the Horizon 2020 programme funding opportunities to implement the 5G-Public Private Partnership (5G-PPP). The 5G-PPP focuses on communications infrastructure with an EU budget of € 700 million for research, development and innovation over the next seven years. € 125 million are available in the first call for proposals, which closes on 25 November 2014.
