

Digital Single Market

CoP plenary meeting on June 3rd: registration is open

News Article02/05/2014

Join us on June 3rd to shape further the CoP's vision for the future and identify success factors of self- and co-regulatory actions!

This second plenary meeting will also explore the place and role of SR/CR in the policy mix, learn from concrete sectorial examples and pay attention to the global approaches in this area...

A detailed programme will soon be available on the CoP platform.

We look forward to seeing you there. Follow this [link](#) ^[1]to register!
