

Digital Single Market

News article 23 May 2014

Another new pledge to the Grand Coalition

The Grand Coalition is committed to making high impact at local level. Hence, we are happy to welcome another important local initiative, undertaken by the Municipality of Halmstad in Sweden.

The [Municipality of Halmstad](#) [1] pledges to offer ICT training to 94 000 citizens and 6500 employees. To cater for easy and safe public eService that creates benefit, the Municipality of Halmstad will provide their citizens and employees with the opportunity to further enhance digital skills and upon successful completion of the ICT training, a token of digital skills, eMedborgaren/eMedarbetaren certification.
