Three IITM digital health events

The International Institute of TeleMedicine (IITM) is organising three scientific events on eHealth taking place in Italy in July 2017. Deadline call for papers: 31 May 2017.

- **Summer School on Data Analytics and Statistical Software in Medicine (DASSM)**

With the cooperation of the International School of Medical Informatics and Telemedicine (ISMIT), the 5th edition of the DASSM will take place in Desio (Monza), Italy, on 11-14 July 2017. The deadline for registration is 20 June 2017.

- **The 14th International Conference on e-Government and e-Health (eGeH'17)**

The eGeH'17 will take place in Desio (Monza), Italy, on 10-12 July 2017. Papers are to be submitted until 31 May 2017. A post-conference tutorial will be dedicated to Ontology in Health-Care and Public Administration. Papers for this event are also to be submitted until 31 May 2017.

- **The International Meeting on Health Tourism and Thermal Care (IMHTTC)**

The IMHTTC will take place in Desenzano del Garda (Garda Lake), Italy, on 13-15 July 2017. The subject of the meeting will be Applications of ICT and Bio-Medical Technologies. Papers are to be submitted until 31 May 2017.
