## Digital Single Market

Press release 24 June 2014

# Huge cuts in mobile data roaming price caps from 1 July - a drop of over 50% from last summer!

It's a big summer sale courtesy of the European Commission! From 1 July 2014, the EU will cut the price caps for data downloads by more than half: down from 45 cents per megabyte to 20c/MB. It will become even cheaper to use maps, watch videos, check mails and update social networks while travelling across the EU.
