3. WHO HAS ACCESS TO YOUR INFORMATION AND TO WHOM IS IT DISCLOSED?

Received contributions, together with the identity of the contributor, may be published on the Internet, unless the contributor objects to the publication of his/her personal data on the grounds that such publication would harm his/her legitimate interests. In this case the contribution may be published in anonymous form. Otherwise the contribution will not be published nor will, in principle, its content be taken into account. Any objections concerning the publication of personal data should be sent to the service responsible for the consultation (see contact information below).

4. HOW DO WE PROTECT AND SAFEGUARD YOUR INFORMATION?

Your replies, together with your chosen language used for drafting the reply, are recorded in a secured and protected database hosted by the Data Centre of the European Commission, the operations of which abide by the Commission's security decisions and provisions established by the Security Directorate for this kind of servers and services. The database is not accessible from outside the Commission. Inside the Commission the database can be accessed using a UserId/Password.
