Electronic Invoicing in Europe

Madrid, 27-28 April 2010

Speakers

European Commission
DG Enterprise and Industry
DG Internal Market and Services

em 2010.es

Charles **BRYANT**

Charles Bryant is Senior Adviser to the Euro Banking Association with a focus on electronic invoicing. He was a member of the European Commission e-I Expert Group. He was formerly Secretary General of the European Payments Council coming to that role from the senior team at SWIFT and prior to that had pursued a career in international banking with Chase, Midland and Natwest.

Diego **CANGA FANO**

Education

- 1988 Certificate in English Law, Cambridge University (UK)
- 1987-1988 Special Law Degree in European Affairs, Université Libre de Bruxelles (Belgium)
- 1982-1987 Law Degree, University of Oviedo (Spain)

Career

- 2010 Deputy Head of the Cabinet of Antonio Tajani, Vice-President of the European Commission, Responsible for Industry and Entrepreneurship
- 2008 Deputy Head of the Cabinet of Antonio Tajani, Vice-President of the European Commission Responsible for Transport
- Since October 2003 Principal Administrator in the Legal Service of the Council in the sector of external relations and since October 2007 in charge of Enlargement, Energy, Consumer Protection and Public Health.
- 1999-2003 Detached to the Cabinet of Vice-President Loyola de Palacio in the European Commission as legal advisor (Transport, Energy and European Parliament).
- 1994-1999 Principal Administrator in the Legal Service of the Council, first in charge of institutional and staff matters and then from January 1996 assistant to the Director-General of the Council Legal Service, following notably Coreper II work and the IGC which lead to the Amsterdam Treaty.
- 1991-1994 Administrator in the General Secretariat of the Council (DG G Social Policy)
- Since September 1991 Community official in Brussels

Rolf **DIEMER**

Rolf Diemer is since September 2005 Head of Unit at the European Commission's department for 'value added tax and other turnover taxes' (DG TAXUD D1) which covers the whole range of policy and technical VAT issues at EU level. Among various other things he oversaw the adoption of the so-called VAT package, the agreement on the VAT treatment of electronic invoicing, the preparation of various proposals and studies on VAT rates as well as the comprehensive initiative on VAT on financial and insurance services. Before that he worked as policy officer in the unit responsible for the 'analysis and co-ordination of tax policies' (since 1998). Responsibilities there included the secretariat of the high-level Taxation Policy Group and work on the longer-term options for company taxation in the EU.

Rolf Diemer holds a Ph.D. degree (*Dr. rer. pol.*) and has completed his studies in business administration at the University of Cologne and at Bocconi University, Milan, with specialisation in auditing, accounting, tax law.

David **DOBBING**

David Dobbing is Manager, Trade and Supply Chain Standards Development at SWIFT, covering trade finance standards (Documentary credits, Guarantees, and Collections), TSU (Trade Services Utility), and e-Invoicing. He has been closely involved with the development of implementation guidelines for these and payment initiation and account reporting messages applicable in the corporate-to-bank environment. With over 20 years of electronic commerce experience, the last 7 years focused in the banking sector, he currently serves on the ISO 20022 Trade Standards Evaluation Group, was past Vice-Chair of the UN/CEFACT Information Content Management Group, and is an active member of the UN/CEFACT TBG5 finance group. Prior to joining SWIFT, he was retained as a senior consultant in a number of messaging initiatives and infrastructures spanning finance, procurement, transport and customs in both Hong Kong and Australia. Mr. Dobbing represented SWIFT as a member of the informal task force on e-Invoicing established by the European Commission. He is based Brussels at the headquarters of SWIFT.

Stefan **ENGEL-FLECHSIG**

Stefan Engel-Flechtsig is practicing lawyer admitted at the bar in Cologne/Germany. His special interest is with ICT regulation and strategy. He is chairman of the CEN workshop on electronic invoices since 2002 and he also chairs the e-Invoice Forum of German Industry organisations of the German Business Association AWW. He has been selected to lead the legal workgroup of the European eInvoice Expert Group. Mr. Engel-Flechtsig has over 25 years specialized experiences in computer science and law. He is a widely known speaker and a published author in specialist information security, telecommunications and law journals. He lectures at the University for Applied Sciences in Graz/Austria on electronic invoicing and at the "Düsseldorf Law School" at the Heinrich-Heine University in Düsseldorf.

Liliana **FRATINI PASSI**

Secretary General of CBI (Customer-to-Business Interaction) Consortium, created under the auspices of ABI (Italian Banking Association). The CBI Consortium owns the governance of the CBI Service, which is a system developed with the aim to facilitate the corporate management of electronic multibanking connections and e-invoicing transmission.

Currently Liliana Fratini Passi is also active as member of:

- European Commission Expert Group on E-invoice and Network and Standards subgroup, based on her role of expert on e-invoicing topic at national level
- ISO20022 Registration Management Group
- UN/CEFACT TBG5 Working Group
- CEN Workshop e-Invoicing Plenary
- EPC SPS Standards Task Force, EPC SSG Security of Payments Task Force
- Italian Committee for SEPA migration
- EBA e-Invoicing Working Group
- International Payments Framework Association (IPFA), Marketing and Communication Team
- Institutional workgroup on Trade Facilitation, promoted by the Italian Economic Development Minister

She is active in payments-related industry and coordinates the CBI Stakeholder Forum, created in order to cooperate with companies for the adoption of the SEPA Direct Debit and Credit Transfer on the CBI channel.

Recently, as CBI Consortium Secretary General, she has also supported main relevant initiatives for the Italian banking system:

- migration of the CBI network to a new one, based on a peer-to-peer infrastructure, XML standard, end-to-end transmission and supporting digital signature
- registration in the ISO20022 Repository of the "Invoice financing request" service
- start-up of the new "CBI Entry Point service" as an innovative way of connection between Central Public Administrations and Banks.

Annika **FRITSCH**

Ms. Fritsch is the Senior Expert in Taxes and Company Law as well as Coordinator of Better Regulation with the Swedish Federation of Business Owners.

She is a member of the High Level Group of Independent Stakeholders on Administrative Burdens set up by the European Commission in 2007 and member of several expert panels to Swedish government legislative committees on company law, taxes, annual accounts and better regulations. Before joining the Swedish Federation of Business Owners she was partner in different law firms active in business law and specializing in taxes, VAT, company law and commercial contracts and in assisting multinational corporate groups establishing in Sweden.

Ms. Fritsch holds an LLM from Stockholm University and was a member of the Swedish Bar Association 1987-2007.

Jostein **FRØMYR**

Mr. Jostein Frømyr, born in 1957, started his professional carrier in the shipping industry where he gained first hand knowledge on the need for, and use of, data interchange systems. Leaving the shipping industry Mr. Jostein Frømyr started a carrier as a consultant within ICT, before ending up at EdiSys where he currently holds the position as Managing Director. Working as an ICT consultant Mr. Jostein Frømyr has predominantly been engaged in activities such as: feasibility studies, systems analysis and design, systems architecture, project management, quality assurance and education.

Ever since the early 1980's Mr. Jostein Frømyr has been actively involved in standardisation related to data interchange and e-business - first nationally and later also internationally. He has actively supported and advocated the use and application of standard message formats. In the more recent years Mr. Jostein Frømyr has actively participated in activities related to the use of XML for B2B applications, and he has closely monitored the development of ebXML and standard XML format for business documents.

Over the years Mr. Jostein Frømyr has had several key positions related to standardisation within data interchange and e-business. In 1995 he was appointed as technical advisor to the Western European EDIFACT Board and the chair of its technical committee. Since then he has had several positions at European as well as international level. Since 2002 he has had the position as chair of UN/CEFACT ATG2, The UN/CEFACT Applied Technology Group responsible for development and maintenance of XML schemas within UN/CEFACT.

Since 2001 Mr. Jostein Frømyr has been working with the Norwegian Ehandel.no initiative, from 2008 included in the Agency for Public Management and eGovernment (Difi), on several projects in order to establish interoperable solutions for use within public procurement. These engagements includes, e.g.:

- Facilitator for the NESUBL initiative
- National representative in the work package on Technical Infrastructure (WP8) within the PEPPOL project
- Chair of the work group on Business Processes and Information Content (WG1) of CEN WS/BII
- Vice chair Technical Coordination of CEN WS/BII2

Bo **HARALD**

- 1975-95 Union Bank of Finland, (trading, overseas units, credits, payments, trade finance, loan syndication, e-banking and e-business solutions, retail banking), EVP and board member
- 1995-2005 Merita Bank, MeritaNordbanken and Nordea Bank group level responsible for payments, e-banking and e-business (EVP and board member)
- Past and present board memberships (Valmet Transmec, Eurocard, UBF Systems, Unitas Securities, SSH Communications Security, Ovako Steel, Rocla Group, LP-group, ZEF Solutions)
- Mobey Forum, Chairman 2000-5
- Past and present advisory board memberships Cisco, Microsoft, VISA, Tekes, CKIR
- 2006 Tieto - Head of Executive Advisors
- Finnish National Advisory Board for e-Society - member
- Finnish e-identity development program and mobile ID subgroup - chairman
- EC Expert Group on e-Invoicing – chairman
- Chamber of Commerce committee for e-business – chairman
- Real Time Economy Program Steering Group – vice chairman
- frequent speaker and writer on networked economy service topics

Awards

- Knight, First Class, of the Order of the White Rose of Finland 2002
- Institutional Investor in 2000-2003: one of the most influential technologists of the 20th century.
- First award by the Finnish Ministry of Transport and Communications for promoting the Information Society 2004

André **HODDEVIK**

Project Director in PEPPOL (Pan-European Public Procurement Online), employed by the Norwegian Agency for Public Management and eGovernment (Difi).

Have been working with e-procurement in the public sector since 1999 with initiatives such as the Norwegian procure-to-pay portal Ehandel.no and the national tender notification service DOFFIN.

Background also from private sector as management consultant.

Education in IT and administrative systems from University of Oslo and change management from Norwegian School of Management.

Gerhard **HUEMER**

Since February 1999

UEAPME (European Association of Craft, Small and Medium-sized Enterprises)

Director for Economic and Fiscal Policy, responsible for:

- Macroeconomic Dialog and economic policy coordination
- State aid policy
- Tax policy
- SME finance and relation to banks
- R&D and Innovation policy
- Pressoffice and public communication
- UEAPME Study Unit

January 1995 until January 1999

Executive Secretary of the «Economic and Social Council» and the «Subcommittee on International Affairs», which are institutions of the Austrian Social Partners.

January 1995 until January 1999

Deputy director of Economic Policy Department of the Austrian Economic Chamber (WKO)

September 1987 until January 1999

Austrian Economic Chamber (WKO)

Department of Economic Policy, responsible for Economic Policy, Industrial Policy, SME-Policy and Structural Policy

1981 - 1986

Studies of Economic and Social Science and Policy at the University of Linz

Professor Robin **JARVIS**

Professor Robin Jarvis is Head of SME Affairs at the ACCA and Professor of Accounting at Brunel University.

Robin is a member and past chair of FIN USE, a Expert Group set up by the European Commission, to address issues on financial services from a consumer and SME perspective.

Robin currently sits on the following:

- EFRAG Supervisory Board, Nominations Committee and SME Working Group
- Intellectual Property Awareness Network
- IFAC Small and Medium Practice Committee and chairs their Financial Reporting for SME Task Force
- UEAPME Economic and Fiscal Committee
- FEE SMP/SME Working Party
- Council of the Institute of Small Business and Entrepreneurship

During the development of the IASB's IFRS for SMEs he was a member of the Working Group

His current research interests are the needs of users of financial reporting for small entities, the demand for the voluntary audit and the role of the accountant as a business adviser. He is the author of nine books and has written and published numerous research papers.

John **KETCHELL**

John Ketchell is the Director of Innovation in the CEN-CENELEC Management Centre, having previously fulfilled a similar role within CEN.

John's Department provides a focal point for business development in new areas for standards-making. These include policies on major issues such as service standardization or defence procurement standards, as well as putting together, in consultation with stakeholders, proposals for specific standards activities in new areas. Linking standardization with research and other innovation programmes forms an important theme. John was a member of the 2008/2009 European Commission Expert Team on electronic invoicing – CEN has a long-standing standards Workshop in this domain.

John joined CEN in 1997. Previously, he had been responsible for external coordination of the activities of the European Telecommunications Standards Institute (ETSI) and Secretary to the European ICT Standards Board (ICTSB) from its inception. An economist and linguist, John's previously worked in the United Kingdom administration, with a bias towards European Union issues.

Gerhard **LAGA**

1. Education:

1989-1996 - University Vienna, Austria - Magister juris

1996-1998 - University Vienna, Austria - Doctor juris

2. Present position:

Head of E-Center Unit, Austrian Federal Economic Chamber

3. Key qualifications:
