

## Small and medium-sized enterprises (SMEs)

How can the EU help finance your business projects?

More and more SMEs are planning to **grow**...

... and **bank loans** are a solution for some of them...

... yet there are also other financing options for **SME projects**

- EU financial instruments
- Crowd-funding
- Growth stock markets
- Business angels
- Venture capital

The EU is working to facilitate SME access to finance:
