

Raw Materials Week

6-10 November 2017

5th annual High Level Conference of the European Innovation Partnership (EIP) on Raw Materials

Raw materials for a strong industrial base in Europe

8 November 2017

Le Plaza Hotel (Boulevard Adolphe Max 118-126, 1000 Bruxelles)

08.00-09.00 Registration

09.00-09.30 Networking with coffee

09.30-11.20 **High Level Panel: Investing in raw materials for strong industrial value chains in Europe?**
– Moderated by Ms Lowri Evans, Director-General, Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs (DG GROW), EC

Welcome by Mr Kristian Hedberg, Deputy Head of Cabinet to Commissioner Elżbieta Bienkowska, Commissioner for Internal Market, Industry, Entrepreneurship and SMEs, EC

Welcome by Mr Ado Lõhmus, Deputy Secretary General, Ministry of the Environment, Estonian Presidency

Welcome by Ms Martina Werner, Member of European Parliament

Panel discussion

Ms Karen Hanghøj, CEO of EIT RawMaterial

Mr Peder Jensen, Head of Secretariat of International Resource Panel, UNEP

Ms Sigrid de Vries, Secretary General of CLEPA

Mr Denis Goffaux, CTO of Umicore

11.20-11.50 Coffee break

11.50-13.00 **Session I: Raw materials for low-carbon energy and mobility** – Chaired by Mr Efstathios Peteves, Head of Unit, Energy, Transport and Climate Directorate, DG JRC, EC

Materials: a potential bottleneck to deployment of low-carbon technologies in the EU? - Ms Darina Blagoeva, Project Officer, Energy, Transport and Climate Directorate, DG JRC, EC

Key aspects of raw materials in the automotive sector - Ms Silvia Avataneo, Senior Environmental Specialist, FCA Research Centre (CRF S.c.p.a.)

Enabling A Virtuous Cycle – high value recycling of photovoltaic panels – addressing a critical nexus of the energy transition and the raw materials strategy - Mr Andreas Wade, Global Sustainability Director, First Solar

Energy Transition and Demand for Raw Materials - Ms Katarina Kertysova, Junior Analyst, The Hague Centre for Strategic Studies (HCSS)

Interactive Session – Q&A

Raw Materials Week

6-10 November 2017

13.00-14.00 Buffet networking lunch

14.00-15.30 Session II: Raw Materials for the defence and aerospace sectors – Chaired by Mr Peter Handley, Head of Unit, Resource Efficiency and Raw Materials, DG GROW, EC

Raw materials for Europe's defence industry - Mr Paul Anciaux, Policy Officer, Defence, Aeronautic and Maritime Industries, DG GROW, EC

Risks of disruption of supply chains for military and aerospace industries - Mr Daniel Chaumette, Consultant, Science and Technology Organization of NATO

Raw materials and sustainability for the aerospace and defence sector - Mr Andy Clifton, Sustainability Manager – Engineering & Design, Rolls-Royce

Metallurgical innovations and critical parts for the defence industry - Mr Laurent Corbier, Group Vice-President Public Affairs, ERAMET

Interactive Session – Q&A

15.30-16.00 Coffee break

16.00-17.30 Session III: Raw Materials in the construction sector – Chaired by Ms Malwina Nowakowska-Ketterle, Deputy Head of Unit, Resource Efficiency and Raw Materials, DG GROW, EC

The construction industry: raw materials, circular economy and digitalisation - Mr Ulrich Paetzold, Director General, FIEC, The European Construction Industry Federation

Success factors for a circular economy model in the European Aggregates Industry - Mr Jesús Ortiz, UEPG President

The Public Authorities: a source of innovation for the construction sector? - Ms Marion Courtois, Senior Expert, ACR+

Circular materials management in the construction sector: The policy program 'materials in circular building' for the Flanders region - Mr Philippe Van de Velde, Policy Adviser, Public Waste Agency of Flanders (OVAM)

Interactive Session – Q&A

17.30-20.00 Opening poster session and inviting to networking cocktail – Mr Gwenole Cozigou, Director, Industrial Transformation and Advanced Value Chains, DG GROW, EC
