The Jury's Grand Prize can be from any category and will go to the entry considered the most creative and inspiring entrepreneurship initiative in Europe.

So, if you are a national, regional or local authority, or a public-private partnership, from anywhere in the EU, , or associate countries in the Competitiveness and Innovation Programme (CIP) Iceland, Serbia or Turkey and have worked on a successful initiative that has boosted your economy either at national, regional or local level, you are urged to participate!

There are two selection stages; only by completing initial selection at national level can entrants be considered for the European Awards. A high profile Jury will select the final winners, to be announced at the award ceremony in November 2019.
