Single Market Policy, Regulation and Implementation
Standards for Growth

Brussels, 17.10.2019

Summary of references of harmonised standards published in the Official Journal – Directive 2009/48/EC¹ of the European Parliament and of the Council of 18 June 2009 on the safety of toys

The summary below consolidates the references of harmonised standards published by the Commission in the *Official Journal of the European Union* (OJ). It reproduces information already published in the L or C series of the OJ as indicated in columns (2), (5) and/or (7). It contains all references which, when the summary was generated, still provided a presumption of conformity together with references already withdrawn from the OJ.

The Commission provides this summary for information purposes only. Although it takes every possible precaution to ensure that the summary is updated regularly and is correct, errors may occur and the summary may not be complete at a certain point in time. The summary does not as such generate legal effects.

This summary was generated on 17 October 2019.

Legislation reference (A)	ESO (B)	Reference number of the standard (C)	Title of the standard (D)	Date of start of presumption of conformity (1)	OJ reference for publication in OJ (2)	Restriction (3)	Date of start of presumption of conformity with restriction (4)	OJ reference for publication of a restriction in OJ (5)	Date of withdrawal from OJ (end of presumption of conformity) (6)	OJ reference for withdrawal from OJ (7)

Legislation reference (A)	ESO (B)	Reference number of the standard (C)	Title of the standard (D)	Date of start of presumption of conformity (1)	OJ reference for publication in OJ (2)	Restriction (3)	Date of start of presumption of conformity with restriction (4)	OJ reference for publication of a restriction in OJ (5)	Date of withdrawal from OJ (end of presumption of conformity) (6)	OJ reference for withdrawal from OJ (7)		
2009/48/EC	CEN	EN 71-7:2014	Safety of toys - Part 7: Finger paints - Requirements and test methods	13-06-2014	OJ C 181, 13-06-2014	-	-	-	28-02-2019	OJ C 282, 10-08-2018		
2009/48/EC	CEN	EN 71-7:2014+A2:2018	Safety of toys - Part 7: Finger paints - Requirements and test methods	-	-	Note 1: For the allowed preservative climbazole (entry 22 in Table B.1 of Annex B to standard EN 71-7:2014+A2:2018) the presumption of conformity applies up to a maximum allowed concentration of 0,2 % (not: 0,5 %). This is based on the 'ADDENDUM to the Opinion on Climbazole (P64) ref. SCCS/1506/13' of the Scientific Committee on Consumer Safety (SCCS) that was adopted after the publication of the standard by CEN. https://ec.europa.eu/health/sites/health/files/scientific_committees/consumer_safety/docs/sccs_o_212.pdf Note 2: The allowed preservatives a) Mixture of 5-Chloro-2-methyl-isothiazol-3(2H)-one and 2-methylisothiazol-3(2H)-one with magnesium chloride and magnesium nitrate and b) 2-methylisothiazol-3(2H)-one (MIT) (entries 31 and 32 in the superseded standard EN 71-7:2014) have been restricted to a) 1 mg/kg (content limit) and b) 0,25 mg/kg (content limit) in aqueous toy materials by Directive (EU) 2015/2117, OJ L 306, 24.11.2015, p. 23. Both content limits are applicable since 24 November 2017. The superseded standard therefore does not any more provide the presumption of conformity for these two preservatives.	-	-	10-08-2018	OJ C 282, 10-08-2018	-	-

Column legend

Reference information on legislation and standards

- (A) Reference number of a relevant Directive or Regulation under which it was published in the OJ
- (B) European standardisation organisation that adopted the relevant standard
- (C) Reference number of a relevant European standard or of a European standard and its amendment(s)
- (D) Title of a European standard

Dates and OJ references for establishing a presumption of conformity

- (1) Date when a presumption of conformity starts or started in cases where a reference was published in the OJ without restriction. This date is usually, but not always, the same as the OJ reference date in column (2)
- (2) Reference number and date of a relevant publication in the L or C series of the OJ in cases where a reference was published in the OJ without restriction

Dates and OJ references for establishing a presumption of conformity with restriction

- (3) Restriction published in the OJ to restrict a presumption of conformity – this includes restrictions on the basis of formal objections
- (4) Date when a presumption of conformity with restriction starts or started in cases where a reference was published in the OJ with restriction. This date is usually, but not always, the same as the date in column (5)
- (5) Reference number and date of a relevant publication in the L or C series of the OJ in cases where a reference was published in the OJ with restriction

Dates and OJ references for ending a presumption of conformity

- (6) Date when a presumption of conformity ends or ended
- (7) Reference number and date of a relevant publication in the L or C series of the OJ where the date of withdrawal from the OJ (date in column (6)) was published
