

Raw Materials Week

18-22 November 2019

3rd EU Raw materials Knowledge base event

21 November 2019

Le Plaza Hotel (Boulevard Adolphe Max 118-126, 1000 Bruxelles)

-
- 08.00-09.30** **Registration and welcome coffee**
-
- 09.30-09.50** **Welcome and opening remarks**
- Mr **Gwenole Cozigou**, Director, Industrial Transformation and Advanced Value Chains, DG GROW, EC
- Mr **Giovanni de Santi**, Director, Directorate for Sustainable Resources, Joint Research Centre (JRC), EC
-
- 9.50-11.00** **Session I: UN Resource Management System and Sustainable Development Goals –**
Chaired by Mr **Scott Foster**, Director, Sustainable Energy Division, UNECE
- From resource classification to UN Resource Management System and Sustainable Development Goals – Mr **Scott Foster**, Director, Sustainable Energy Division, UNECE
- Towards a comprehensive management system for resources in the EU – Mr **Milan Grohol**, Policy Officer, Resource Efficiency and Raw Materials, DG GROW, EC
- Building the mineral resources knowledge base – Dr **Slavko Solar**, Secretary General, EuroGeoSurveys
- Global database of trade restrictions on minerals and metals – Ms **Jane Korinek**, Economist and Trade Policy Analyst, OECD
- Interactive Session – Q&A
-
- 11.00-11.30** **Networking coffee break**
-
- 11.30-13.00** **Session II: Raw materials knowledge for analysing industrial Value Chains –** Chaired by Dr **Constantin Ciupagea**, Head of Land Resources Unit, DG JRC, EC
- Products and trade statistics in support of the EU raw materials knowledge base – Mr **August Götzfried**, Head of Unit, Eurostat, EC
- Knowledge concerning supply of primary raw material for batteries: current availability and future needs – Mr **Janne Palosaari**, Chief Commercial Officer, Terrafame Ltd
- Developing knowledge on value chains of emerging technologies: insights from the Materials for Dual Use Study – Mr **Claudiu Pavel**, Scientific Officer, and Mr **Jaco Huisman**, Scientific Officer, DG JRC, EC
- Secondary raw materials and value chains information: how much do we need to know to have an efficient recycling system? – Dr **Christian Hagelüken**, Director EU Government Affairs, Umicore
- Current knowledge in the RMIS to support analysis of value chains for key sectors – Mr **Simone Manfredi**, RMIS Work Package Leader, DG JRC, EC

Raw Materials Week

18-22 November 2019

13.00-14.00 **Buffet networking lunch**

14.00-15.30 **Session III: Sustainable Raw Materials Supply Knowledge** – Chaired by Mr **David Pennington**, Raw Materials Project Leader, DG JRC, EC

Opening remarks: Secure and responsible supply of raw materials to the EU – Mr **Sergio Piazzardi**, DG DEVCO, EC

A Global Platform for Artisanal & Small Scale Mining Data – Prof. **Gavin Hilson**, Chair of Sustainability in Business, The Surrey Business School

Responsible sourcing and the risk portal – current status and data outlook – Mr **Tyler Gillard**, Head of Sector Projects and Legal Adviser, OECD

Climate change and resource efficiency – the current knowledge situation and needs - Mr **Stefan Pauliuk**, PhD, assistant professor for sustainable energy and material flow management, University of Freiburg

Social and environmental knowledge in the EC's RMIS – Ms **Lucia Mancini**, Scientific Officer, DG JRC, EC

15.30-16.00 **Networking coffee break**

16.00-17.30 **Session IV: Training on United Nations Framework Classification for Resources (UNFC)** – Chaired by Dr **Slavko Solar**, Secretary General, EuroGeoSurveys

Background, methodology and applications of UNFC - Mr **Sigurd Heiberg**, Project director, Petrad

UNFC applied to European Mineral Resources - Mr **Zoltán Horváth**, PhD, Head of Department Geological Survey of Hungary

UNFC for Anthropogenic Resources – Ms **Soraya Heuss-Aßbichler**, Professor at Ludwig Maximilian University of Munich

Interactive Session – Q&A
