How NECSTouR delivers the Tourism Transition Pathway

Cristina Núñez
Managing Director

#EUTourism
Who are and what we do?

We are the network of European Regions for Sustainable and Competitive Tourism

We connect regional tourism governance in Europe:

- With regions, private sector, academia on SDGs values
- With the European agenda and financial instruments
- With our own governments, ecosystems, and residents

21 COUNTRIES
41 REGIONAL AUTHORITIES (NUTS I, II and III)
11 ASSOCIATIONS
Representatives of Tourism business associations and networks
18 ACADEMICS
Universities and Research

#EUtourism
Why are we involved?

Our UVP is building projects to transform the tourism governance based on 2030 Agenda’s values.

Benefits for the NECSTouR members:

- **NEW TOURISM GOVERNANCE**
  - Leading regional tourism policy makers committed to sustainable development for competitiveness

- **KNOW HOW**
  - Knowledge hub and solutions to enable regions to inspire strategies for smarter destinations management
  - Project engineering hub for a sustainable and resilient tourism recovery through interregional cooperation

- **PROJECT HUB**
  - European activity translated into opportunities for Regional Tourism decision-makers

- **EU ANTENNA**
  - Aligning territorial and European tourism agendas

- **BRIDGE AGENDAS**
How our work complements and align with the TTP?

Principles:
1. Following a thematic approach
2. Optimising existing projects and strategies
3. Engaging and supporting our members in the process: A reference, NOT an obligation
4. Developing collective knowledge and joint projects
5. Jointly reporting challenges/solutions/needs for EU action to the European Commission

Is more than a pledge, is part of our organisation’s DNA
How we deliver? 12 TTP topics becoming a reference

**Tourism of Tomorrow Lab**
Improving tourism measurability and intelligence
Data-driven policies and services
Digitalisation

**Better Places to Live, Better Places to Visit**
Collaborative governance of tourism destinations
Tourism services for visitors and residents alike

**NECSTouR Climate Action Plan**
Comprehensive tourism strategies
Decarbonisation, measurement, regeneration and green transition: Sustainable mobility, circularity,

**Sustainable Tourism Community MED**
Visibility of funding opportunities for tourism actors
Better tourism governance in the MED region
Capitalisation of sustainable tourism development

1. NECSTouR’s department delivering services based on data to Premium members.

2. Our goal is to solve specific problems hand in hand with DMOs’ Technicians and to share learnings between the members of the net.

Tourism Transition Pathway’s reference:

- Topic 3: Improving tourism statistics & indicators
- Topic 4: Comprehensive tourism strategies development or update
- Topic 5: Collaborative governance of tourism destinations
- Topic 9: Data-driven tourism services
- Topic 14: Technical implementation for tourism data space
- Topic 16: Support for digitalisation of tourism SMEs and destinations
Tourism of Tomorrow Lab

NECSTouR targets related to Tourism Transition Pathway

✔ 4 PERSONALISED DATA CONSULTANCY REPORTS in 2022:
Methodologies specifically designed to solve destinations’ measurability cases, recommendations and guidance for those DMOs on specific actions for implementation.

The results of this ongoing collaborative knowledge will be progressively transmitted to the 41 NECSTouR Regions:
✔ At least one yearly workshop
✔ Regularly updated knowledge hub

✔ « Support to the tourism ecosystem: towards a more sustainable, resilient, and digital tourism”.

WHAT: DG Reform’s technical assistance project facilitated by the OECD.
WHO: Andalusia leading some ToT LAB-NECSTouR Spanish Regions.
HOW: Develop a list of indicators to measure the tourism sustainability at NUTS 2 level by Spring 2023 + rolling out some pilot projects which will test those indicators during the Fall 2023.
Collaborative Knowledge Hub

Regenerative Tourism

- Contributing to the wellbeing of the community
- Transforming the tourism governance for regenerative destinations and business
- Developing an honest marketing: when business and values are compatible
- Support members to deliver climate action and develop Climate Action Plans, and promote members’ good practice.
- Raise awareness within members on the relevance of EU Transition Pathway for Tourism and provide information and guidance to support its implementation.
- Enable NECSTouR to measure, reduce, and mitigate organisational emissions.

Tourism Transition Pathway
- Policy & regulation & stakeholders support. Topics 5 & 26
- Green transition, policy & regulation & stakeholders support. Topics 4, 5, 6, 8 & 12
- Digital transition, skills & resilience, policy & regulation & stakeholders support. Topics 3, 9 & 16

Which European projects are delivering the digital tourism transition? What can we transfer and capitalize?

How destinations tackle tourism innovation and digitalization?

DMOs methodologies-learnings in measuring tourism performance in partnership with the sector
European Projects Hub

✓ NECSTouR target: Increase success rate of members’ project acquisition

• Monitor programmes’ calls & contact Managing Authorities
• Organise info sessions/brokerage events
• Support in building partnerships
• Provide NECSTouR’s knowledge and experts

Topic 27: Support visibility of funding opportunities for tourism actors

✓ NECSTouR offers support to the European Commission in co-organising and/or participating to a range of informative sessions, at least two yearly, to help regions and other stakeholders in mainstreaming the EU programmes to co-finance the implementation of the Tourism Transition Pathways.
