

“Europe – A Raw Materials Powerhouse”

United Nations Framework Classification for Resources (UNFC) The classification tool to support the EU Critical Raw Materials Act

co-organised by UNECE, DG GROW, EuroGeoSurveys, HE projects “Geological Service for Europe” and “FutuRam”

10th December 2024

Versailles Room - Hotel Le Plaza Brussels - Boulevard Adolphe Max 118-126, 1000 Brussels

Agenda

Versailles Room	
Technical Session (Presentations)	
Chair: Ms Erika INGVALD , <i>Economic Affairs Officer, Sustainable Energy Division, UNECE</i>	
11:15-11:40	UNFC Developments and Coordinated Implementation
	<ul style="list-style-type: none"> • Advancing Resource Management with UNFC, UNRMS, and ICE-SRMs – Ms Karen HANGHOJ, <i>Director, British Geological Survey</i> • UNFC Progress in Primary Raw Materials – Mr Ghadi SABRA, <i>PhD Candidate, Politecnico di Torino</i> • UNFC Progress in Secondary Raw Materials – Ms Marina VON VIETINGHOFF-SCHEEL, <i>Scientific Assistant, German Mineral Resources Agency, German Geological Survey (DERA, BGR)</i>
11:40-12:10	EU Synergies in Resource Classification
	<ul style="list-style-type: none"> • Bridging historical mineral resources inventory to UNFC – Mr Daniel MONFORT, <i>Geologist Engineer & Project Manager, French Geological Survey (BRGM)</i> • Bridging the CRIRSCO Template with UNFC for Comprehensive Resource Reporting – Mr Janne HOKKA, <i>Senior Specialist, Geological Survey of Finland (GTK)</i> • National Reporting System to UNFC – Mr Zbyněk GABRIEL, <i>Research and Development Specialist, Czech Geological Survey</i>
12:10-12:25	UNFC in Horizon Europe Projects
	<ul style="list-style-type: none"> • AGEMERA: Integrating UNFC into Raw Material Education: Lessons from AGEMERA University Courses – Mr Ariful ISLAM, <i>Scientific Assistant, Institute of Mining and Specialized Civil Engineering, TU Bergakademie Freiberg</i> • CIRAN: Balancing Nature Protection and Raw Materials Extraction – Ms Minja MARIJANSKI, <i>Project Manager, Proman</i> • VECTOR: Accessing the Practicality of UNFC Reporting Through the Integration of Social Science and Geoscience – Mr Chris STOCKEY, <i>VECTOR Project Manager & ESG Consultant, Satarla, VECTOR</i>
12:25-12:30	Q&A/Conclusion
12:30-14:00	Lunch break
