## [COSME Info Day: register now](#) [1]

On June 11<sup>th</sup> 2018, EASME will host its first COSME Info Day, a pilot event aiming to raise awareness on opportunities to participate in Calls for Proposals.

The COSME Info Day aims to raise awareness on participation in COSME Calls for Proposals and motivate new applicants and potential beneficiaries.

It will offer a thorough overview of:

- how to prepare a proposal
- the key financial aspects
- available support services
- information sources
- upcoming calls

## Why participate?

The one-day event programme includes practical examples of funded projects and testimonials from COSME beneficiaries. Both proposal evaluators and EU experts will share their insights and tips with participants.
