Do you still have a question? Check regularly the [FAQs page](#) ^[3].

The 2019 blue economy call was presented in a series of presentations organised by EASME and the [Directorate General for Maritime Affairs and Fisheries](#) ^[4] of the European Commission. See more information about this call in the [amendment to the EMFF work programme](#) ^[5].

Under the 2019 call, organisations can get between €700,000 and €2,500,000 for their projects. Any for-profit SME based in the EU (single participant or a member of a consortium) can apply.

The Information Day was also an opportunity take advantage of the match-making session, meet your potential partners, stakeholders or discuss your project directly with our project advisors. Check the whole [agenda](#). ^[6]

WSENSE, an EMFF funded company, presented their successful [Archeosub project](#) ^[7] and share their experience on how to make the most of EU funding.

The poster features the European Commission logo at the top center, flanked by stylized wave graphics. The background is a vibrant blue with a white, torn-paper-like border at the top. A red and white lifebuoy graphic on the right contains the text 'BLUE INVEST GRANTS' and 'TOTAL BUDGET €22.5M'. The main title 'BLUE ECONOMY WINDOW' is prominently displayed in large white letters. Below the title, three columns provide key details: 'WHO CAN APPLY?' (minimum 1 SME from an EU Member State), 'HOW MUCH CAN YOU GET?' (70% co-funding, between €700,000 & €2,500,000), and 'WHAT ARE WE LOOKING FOR?' (close to market activities, technology readiness level 6-8, project duration up to 36 months). The application deadline 'APPLY BY 27 FEBRUARY 2020' is clearly stated at the bottom. Contact information for the Maritime Affairs and Fisheries department is provided in the bottom left, and publication details (ISBN, Catalogue number, DOI, and copyright) are in the bottom right.
