The Executive Agency for Small- and Medium-sized Enterprises (EASME), acting under powers delegated by the European Commission is responsible for the implementation of part of the LIFE Programme<sup>1</sup>. LIFE is the EU's financial instrument supporting environmental, nature conservation and climate action projects.

In order to promote better environmental and/or climate governance by broadening stakeholder involvement, including Non-Governmental Organisations and for the purposes of implementing the Union policies in this regard, the Agency has selected one or more partners engaged in the area of activity concerned, with which it shares common general objectives and wishes to establish a relationship of lasting cooperation.

The general objectives which it shares with the partner in the above-mentioned areas of activities and which justify the establishment of a partnership are the following:

- to protect, conserve and enhance the Union's natural capital;
- to turn the Union into a resource-efficient, green and competitive low-carbon economy;
- to safeguard the Union's citizens from environmental and climate-related pressures and risks to health and wellbeing;
- to maximise the benefits of the Union's environment legislation by improving implementation;
- to increase knowledge about the environment and widen the evidence base for policy;
- to secure investment for environment and climate policy and account for the environmental costs of any societal activities;
- to better integrate environmental concerns into other policy areas and ensure coherence when creating new policy;
- to make the Union's cities more sustainable;
- to help the Union address international environmental and climate challenges more effectively.

Furthermore, the involvement of the partners in the policy consultation and implementation promotes better environmental and climate governance.

## I. SPECIAL CONDITIONS

### ARTICLE I.1 – SUBJECT MATTER OF THE FRAMEWORK AGREEMENT – AWARD OF SPECIFIC GRANTS

#### I.1.1 Subject matter of the Framework agreement

**I.1.1.1** The Framework agreement is concluded as part of a long-term cooperation between the Agency and the partner ("the partnership") with the aim to contribute to the objectives of the Union policy in the field of environment and/or climate action as referred to in the Preamble.

The Framework agreement defines the general rights and obligations of the parties in implementing their partnership.

**I.1.1.2** The partnership must be implemented in compliance with the Action plan set out in Annex I.

The partner must submit each year an Annual action programme which must be jointly agreed by the parties. The Annual action programme must be in line with the Action plan set out in Annex I and serves as a basis for the award of any specific grants during the year in question. The Annual action programme must be submitted before the call deadline for the specific grant agreement.

**I.1.1.3** For the purposes of implementing the partnership the Agency may award to the partner specific operating grants.

The Framework agreement applies to any specific grant awarded for implementation of the partnership and to the respective specific grant agreements ("Specific agreements") concluded between the parties.

Signature of the Framework agreement does not give rise to any obligation of the Agency to award specific grants. It does not affect the partner's participation in other calls for proposals for the purposes of award of grants outside the scope of the Action plan set out in Annex I.

**I.1.1.4** The generic term "action" used in the Framework agreement refers to the work programme to be implemented by the partner in the framework of a specific operating grant.

Article II.12, Article II.19.3, Article II.21 and II.25.3 are not applicable.

#### I.1.2 Procedure for award of specific grants

The Agency may consult its partner in order to obtain a proposal for an action in line with the Action plan set out in Annex I and the Annual action programme referred to in the second subparagraph of Article I.1.1.2 as jointly agreed between the parties. Such consultation must

take place on the basis of an invitation to submit a proposal. The invitation must define the award criteria to be applied. The partner is not obliged to submit a proposal in response to such a consultation.

### **I.1.3 Conclusion of Specific agreements**

Where the Agency decides to award a specific grant, it proposes to the partner to sign a Specific agreement in accordance with the model set out in Annex III. The Specific agreement must be signed by the authorized representatives of the parties.

By signing the Specific agreement, the partner accepts the grant and agrees to implement the action acting on its own responsibility and under the terms and conditions set out in the Framework agreement and the Specific agreement.

Specific agreements must be signed before the date when the Framework agreement expires. Where the actions are carried out after the above-mentioned date, the terms of the Framework agreement continue to apply to the implementation of the Specific agreements governed by the Framework agreement.

## **ARTICLE I.2 – ENTRY INTO FORCE OF THE FRAMEWORK AGREEMENT AND DURATION OF THE PARTERSHIP**

The LIFE Programme logo (as foreseen in Annex II of LIFE regulation)<sup>2</sup> shall be used for all communication activities and appear on notice boards at strategic places visible to the public. All durable goods acquired in the framework of the LIFE Programme shall bear the LIFE Programme logo except in cases specified by the Commission.

## **ARTICLE I.7 – BUDGET AVAILABILITY**

The parties acknowledge that the signature of the present framework agreement does not imply that a specific agreement can be signed, as this depends on the SGA evaluation.

<sup>4</sup> Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement and repealing Directive 2004/18/EC

<sup>5</sup> Directive 2014/25/EU of the European Parliament and of the Council of 26 February 2014 on procurement by entities operating in the water, energy, transport and postal services sectors and repealing Directive 2004/17/EC

- is specifically justified in the interim or final technical report referred to in Articles 4.3 and 4.4 of the Specific agreement; and

- does not entail changes to the Framework agreement or the Specific agreement which would call into question the decision to establish the framework partnership or to award the specific grant or which would be contrary to the equal treatment of applicants;

- (e) the partner ensures that the conditions applicable to it under Article II.8 are also applicable to the subcontractors.

**II.11.2** If the partner breaches its obligations under Article II.11.1 (a), (b), (c) or (d), the costs related to the contract concerned are considered ineligible in accordance with Article II.19.2 (f).

If the partner breaches its obligation under Article II.11.1 (e) the grant may be reduced in accordance with Article II.25.4.

## **ARTICLE II.12 - FINANCIAL SUPPORT TO THIRD PARTIES**

**II.12.1** If, while implementing the *action*, the partner has to give financial support to third parties, the partner must give such financial support in accordance with the conditions specified in Annex I of the Specific agreement. Under those conditions, the following information must be stated at least:

- (a) the maximum amount of financial support. This amount may not exceed EUR 60 000 for each third party except if the financial support is the primary aim of the *action* as specified in Annex I of the Specific agreement;
- (b) the criteria for determining the exact amount of the financial support;
- (c) the different types of activity that may receive financial support, on the basis of a fixed list;
- (d) the persons or categories of persons which may receive financial support;
- (e) the criteria for giving the financial support.

**II.12.2** As an exception to Article II.12.1, if the financial support takes the form of a prize, the partner must give such financial support in accordance with the conditions specified in Annex I of the Specific agreement. Under those conditions, the following information must at least be stated:

- (a) the conditions for participation;
- (b) the award criteria;

- (c) the amount of the prize;
- (d) the payment arrangements.

**II.12.3** The partner must ensure that the conditions applicable to it under Articles II.4, II.5, II.6, II.8, II.9 and II.27 are also applicable to the third parties receiving financial support.

## **ARTICLE II.13 – AMENDMENTS TO THE FRAMEWORK AGREEMENT AND THE SPECIFIC AGREEMENTS**

**II.13.1** Any amendment to the Framework agreement or a Specific agreement must be made in writing.

**II.13.2** An amendment may not have the purpose or the effect of making changes to the Framework agreement or a Specific agreement which would call into question the decision to establish the framework partnership or to award the specific grant or which would be contrary to the equal treatment of applicants.

**II.13.3** Any request for amendment must:

- a) be duly justified;
- b) be accompanied by appropriate supporting documents; and
- c) be sent to the other party in due time before it is due to take effect, and in any case one month before the end of the *implementation period* of the Framework agreement or the Specific agreement.

Point (c) does not apply in cases duly substantiated by the party requesting the amendment if the other party agrees.

**II.13.4** In case of a specific operating grant the *implementation period* set out in Article 2.2 of the Specific agreement may not be extended via amendments.

**II.13.5** Amendments enter into force on the date on which the last party signs or on the date of approval of the request for amendment.

Amendments take effect on a date agreed by the parties or, in the absence of such an agreed date, on the date on which the amendment enters into force.

## **ARTICLE II.14 – ASSIGNMENT OF CLAIMS FOR PAYMENTS TO THIRD PARTIES**

**II.14.1** The partner may not assign any of its claims for payment against the Agency to any third party, except if approved by the Agency on the basis of a reasoned written request by the partner.

If the Agency does not accept the assignment or the terms of it are not complied with, the assignment has no effect on it.

**II.14.2** In no circumstances may an assignment release the partner from its obligations towards the Agency.

## **ARTICLE II.15 – FORCE MAJEURE**

**II.15.1** A party faced with *force majeure* must send a *formal notification* to the other party without delay, stating the nature of the situation or of the event, its likely duration and foreseeable effects.

**II.15.2** The parties must take the necessary measures to limit any damage due to *force majeure*. They must do their best to resume the implementation of the *action* as soon as possible.

**II.15.3** The party faced with *force majeure* may not be considered in breach of its obligations under the Framework agreement or a Specific agreement if it has been prevented from fulfilling them by *force majeure*.

## **ARTICLE II.16 – SUSPENSION OF THE IMPLEMENTATION OF THE ACTION**

### **II.16.1 Suspension of the implementation of the *action* by the partner**

The partner may suspend the implementation of the *action* or any part of it, if exceptional circumstances make such implementation impossible or excessively difficult, in particular in the event of *force majeure*.

The partner must immediately inform the Agency stating:

- (a) the reasons for suspension, including details about the date or period when the exceptional circumstances occurred; and
- (b) the expected date of resumption.

Once the circumstances allow the partner to resume implementing the *action*, the partner must inform the Agency immediately and present a request for amendment of the Framework agreement or a Specific agreement as provided for in Article II.16.3. This obligation does not apply if the Framework agreement or Specific agreement is terminated in accordance with Article II.17.1 or points (b) or (c) of Article II.17.2.2.

### **II.16.2 Suspension of implementation by the Agency**

#### **II.16.2.1 Grounds for suspension**

The Agency may suspend the implementation of the *action* or any part thereof or the implementation of the Framework agreement:

- (a) if the Agency has evidence that the partner has committed *irregularities, fraud or breach of obligations* in the award procedure or while implementing the Framework agreement or the Specific agreement;
- (b) if the Agency has evidence that the partner has committed systemic or recurrent *irregularities, fraud* or serious *breach of obligations* in other grants funded by the Union or the European Atomic Energy Community ("Euratom") awarded to the partner under similar conditions, and the *irregularities, fraud or breach of obligations* have a material impact on one or more specific grants awarded under the Framework agreement; or
- (c) if the Agency suspects *irregularities, fraud or breach of obligations* committed by the partner in the award procedure or while implementing the Framework agreement or the Specific agreement and needs to verify whether they have actually occurred.

The implementation of each action for which a specific grant has been awarded is deemed automatically suspended from the date on which the suspension of the implementation of the Framework agreement takes effect.

#### **II.16.2.2 Procedure for suspension**

**Step 1** — Before suspending implementation of the *action*, the Agency must send a *formal notification* to the partner:

- (a) informing it of:
  - (i) its intention to suspend the implementation;
  - (ii) the reasons for suspension;
  - (iii) the necessary conditions for resuming the implementation of the Framework agreement or of the *action* in the cases referred to in points (a) and (b) of Article II.16.2.1; and
- (b) inviting it to submit observations within 30 calendar days of receiving the formal notification.

**Step 2** — If the Agency does not receive observations or decides to pursue the procedure despite the observations it has received, it must send a *formal notification* to the partner informing it of:

- (a) the suspension of the implementation;
- (b) the reasons for suspension; and
- (c) the final conditions for resuming the implementation of the Framework agreement or of the *action* in the cases referred to in points (a) and (b) of Article II.16.2.1; or

- (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.16.2.1.

The suspension takes effect on the day the *formal notification* is received by the partner or on a later date specified in the *formal notification*.

Otherwise, the Agency must send a *formal notification* to the partner informing it that it is not continuing the suspension procedure.

### **II.16.2.3 Resuming implementation**

In order to resume the implementation, the partner must meet the notified conditions as soon as possible and must inform the Agency of any progress made.

If the conditions for resuming the implementation of the Framework agreement or the Specific agreements are met or the necessary verifications are carried out, the Agency must send a *formal notification* to the partner:

- (a) informing it that the conditions for lifting the suspension are met; and
- (b) requiring it to present a request for amendment of the agreement concerned as provided for in Article II.16.3. This obligation does not apply if the Framework agreement or the Specific agreement is terminated in accordance with Articles II.17.1 or points (b), (f) or (g) of Article II.17.2.2.

### **II.16.3 Effects of the suspension**

**II.16.3.1** If the Framework agreement is not terminated, it may be adapted to the new implementing conditions in accordance with Article II.13.

The suspension of the implementation of the Framework agreement and of all automatically suspended actions in accordance with the last subparagraph of Article II.16.2.1 is deemed lifted as from the date of the notification by the Agency referred to in point (a) of Article II.16.2.3. In this case Article II.16.3.2 does not apply.

**II.16.3.2** If the implementation of the suspended *action* can be resumed and the Specific agreement has not been terminated, an amendment to the Specific agreement must be made in accordance with Article II.13 in order to:

- (a) set the date on which the *action* is to be resumed;
- (b) extend the duration of the *action*; and
- (c) make other changes necessary to adapt the *action* to the new situation.

The suspension is lifted with effect from the resumption date set out in the amendment. This date may be before the date on which the amendment enters into force.

**II.16.3.3** Costs incurred during the period of suspension that relate to the implementation of the suspended *action* or the suspended part of it may not be reimbursed or covered by the grant.

Suspending implementation of the *action* or implementation of the Framework agreement does not affect the Agency's right to terminate the concerned agreement in accordance with Article II.17.2, reduce the grant or recover amounts unduly paid in accordance with Articles II.25.4 and II.26.

Neither party may claim damages due to suspension by the other party.

## **ARTICLE II.17 – TERMINATION OF THE FRAMEWORK AGREEMENT AND THE SPECIFIC AGREEMENTS**

### **II.17.1 Termination of the Framework agreement or a Specific agreement by the partner**

#### **II.17.1.1 Termination of the Framework agreement**

The partner may terminate the Framework agreement without specifying the reasons for termination.

The partner must send a *formal notification* of termination to the Agency, stating the date on which the termination takes effect. This date must be set after the *formal notification*.

#### **II.17.1.2 Termination of a Specific agreement**

The partner may terminate a Specific agreement.

The partner must send a *formal notification* of termination to the Agency, stating:

- (a) the reasons for termination; and
- (b) the date on which the termination takes effect. This date must be set after the *formal notification*.

If the partner does not state the reasons for the termination or if the Agency considers that the reasons do not justify termination, the Specific agreement is considered to have been terminated improperly.

The termination takes effect on the day specified in the *formal notification*.

### **II.17.2 Termination of the Framework agreement or a Specific agreement by the Agency**

#### **II.17.2.1 Termination of the Framework agreement**

The Agency may terminate the Framework agreement without specifying the reasons for termination.

The Agency must send a *formal notification* of termination to the partner specifying the date on which the termination takes effect. The notification must be sent before the termination is due to take effect.

#### **II.17.2.2 Termination of the Framework agreement or a Specific agreement based on explicit grounds**

The Agency may terminate the Framework agreement or a Specific agreement if:

- (a) a change to the partner's legal, financial, technical, organisational or ownership situation is likely to affect the implementation of the Framework agreement or the Specific agreement substantially or calls into question the Agency's decision to establish the Framework partnership or to award the Specific grant, or a change regarding the exclusion situations listed in Article 136 of Regulation (EU) 2018/1046, that calls into question the decision to establish the framework partnership or to award the specific grant;
- (b) the partner, any *related person* or any natural person who is essential for the award or for the implementation of the framework partnership and/or the specific grant have committed serious *breach of obligations*, including improper implementation of the *action* as described in Annex I of the specific grant;
- (c) the implementation of the *action* is prevented or suspended due to *force majeure* or exceptional circumstances and either:
  - i. resumption is impossible; or
  - ii. the necessary changes to the Framework agreement or the Specific agreement would call into question the decision to establish the framework partnership or to award the specific grant or be contrary to the equal treatment of applicants;
- (d) the partner or a natural or legal person that assumes unlimited liability for the debts of the partner:
  - i) is declared bankrupt, is subject to insolvency or winding up procedures, its assets are being administered by a liquidator or by a Court, has entered into an agreement with creditors, has suspended business activities or is in any analogous situation arising from a similar procedure provided for under the Union or national law;
  - ii) is in breach of its obligations relating to the payment of taxes or social security contributions in accordance with the applicable law;
- (e) the partner or any *related person* or any natural person who is essential for establishing Framework agreement or to award the Specific grant or for the

implementation of the Framework agreement or of the Specific grant has committed:

- (i) *grave professional misconduct* proven by any means;
  - (ii) *fraud*;
  - (iii) corruption;
  - (iv) conduct related to criminal organisations;
  - (v) money laundering;
  - (vi) terrorism-related crimes (including terrorism financing);
  - (vii) child labour or other offences concerning trafficking of human beings;
- (f) the Agency has evidence that the partner or any *related person* or any natural person who is essential for establishing Framework agreement or to award the Specific grant or for the implementation of the Framework agreement or of the Specific grant has committed *irregularities* or *fraud* in the award procedure or while implementing the Framework agreement or any Specific agreement, including if the partner or *related person* or natural person has submitted false information or failed to provide required information;
- (g) the Agency has evidence that the partner has committed systemic or recurrent errors, *irregularities*, *fraud* or serious *breach of obligations* in other Union or Euratom grants awarded to it under similar conditions and such, *irregularities*, *fraud* or *breach of obligations* have a material impact on a specific grant awarded under the Framework agreement;
- (h) a partner or any *related person* or any natural person who is essential for the award or for the implementation of the Framework agreement or the Specific grant has created an entity under a different jurisdiction with the intent to circumvent fiscal, social or any other legal obligations in the jurisdiction of its registered office, central administration or principal place of business;
- (i) a partner or any *related person* has been created with the intent referred to in point (h) or
- (j) the Agency has sent the partner a *formal notification* asking it to end the participation of its affiliated entity because that entity is in a situation provided for in points (d), to (i) and the partner has failed to request an amendment ending the participation of the entity and reallocating its tasks.

### II.17.2.3 Procedure for termination based on explicit grounds

**Step 1-** Before terminating the Framework agreement or a Specific agreement, the Agency must send a *formal notification* to the partner:

- (a) informing it of:
  - (i) its intention to terminate;
  - (ii) the reasons for termination; and

- (b) requiring it, within 45 calendar days of receiving the *formal notification*:
  - (i) to submit observations; and
  - (ii) in the case of point (b) of Article II.17.2.2, to inform the Agency of the measures to ensure compliance with the obligations under the Framework agreement or the Specific agreement concerned.

**Step 2** - If the Agency does not receive observations or decides to pursue the procedure despite the observations it has received, it will send a *formal notification* to the partner informing it of the termination and the date on which it takes effect.

Otherwise, the Agency must send a *formal notification* to the partner informing it that the termination procedure is not continued.

The termination takes effect:

- (a) for terminations under points (a), (b) and (d) of Article II.17.2.2: on the day specified in the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above);
- (b) for terminations under points (c), (e) to (j), of Article II.17.2.2: on the day after the partner receives the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above).

### **II.17.3 Effects of termination**

Where the Framework agreement is terminated by the partner in accordance with Article II.17.1.1 or by the Agency in accordance with Articles II.17.2.1 or II.17.2.2:

- a) the partner must complete the implementation of any Specific agreement, governed by the Framework agreement, which has entered into force before the date on which the termination of the Framework agreement takes effect;
- b) the Agency must honour its obligations arising from the implementation of any Specific agreement, governed by the Framework agreement, which has entered into force before the date on which the termination of the Framework agreement takes effect.

Within 60 calendar days from the day on which the termination of a Specific agreement takes effect, the partner must submit a request for payment of the balance as provided for in Article 4.4 of the Specific agreement.

If the Agency does not receive the request for payment of the balance by the above deadline, only costs which are included in an approved technical report and, where relevant, in an approved financial statement, are reimbursed or covered by the specific grant.

If the Specific agreement is terminated by the Agency because the partner has breached its obligation to submit the request for payment, the partner may not submit any request for payment after termination. In that case the third subparagraph applies.

The Agency calculates the final grant amount as referred to in Article II.25 and the balance as referred to in Article 5.4 of the Specific agreement on the basis of the reports submitted. Only costs incurred before termination takes effect are reimbursed or covered by the specific grant. Costs relating to contracts due for execution only after termination are not taken into account and are not reimbursed or covered by the grant.

The Agency may reduce a specific grant in accordance with Article II.25.4 in case of:

- (a) improper termination of the Specific agreement by the partner within the meaning of Article II.17.1.2; or
- (b) termination of the Specific agreement by the Agency on any of the grounds set out in points (b) to (j) of Article II.17.2.2.

Neither party may claim damages on the grounds that the other party terminated the Framework agreement or a Specific agreement.

After termination, the partner's obligations continue to apply, in particular those under Article 4 of the Specific agreement, Articles II.6, II.8, II.9, II.14, II.27 and any additional provisions on the use of the results, as set out in the Special Conditions or the Specific agreement concerned.

## **ARTICLE II.18 – APPLICABLE LAW, SETTLEMENT OF DISPUTES AND ENFORCEABLE DECISIONS**

**II.18.1** The Framework agreement and any Specific agreement are governed by the applicable Union law complemented, where necessary, by the law of Belgium.

**II.18.2** In accordance with Article 272 TFEU, the General Court or, on appeal, the Court of Justice of the European Union, has sole jurisdiction to hear any dispute between the Union and the partner concerning the interpretation, application or validity of the Framework agreement or any Specific agreement, if such dispute cannot be settled amicably.

**II.18.3** In accordance with Article 299 TFEU, for the purposes of recovery within the meaning of Article II.26, the Agency may adopt an enforceable decision to impose pecuniary obligations on persons other than States.

An action may be brought against such decision before the General Court of the European Union in accordance with Article 263 TFEU.

## PART B – FINANCIAL PROVISIONS

### ARTICLE II.19 – ELIGIBLE COSTS

#### II.19.1 Conditions for the eligibility of costs

*Eligible costs* of the *action* are costs actually incurred by the partner and which meet the following criteria:

- (a) they are incurred within the *implementation period* of the Specific agreement, with the exception of costs relating to the request for payment of the balance and the corresponding supporting documents referred to in Article 4.4 of the Specific agreement;
- (b) they are indicated in the estimated budget. The estimated budget is set out in Annex II of the Specific agreement;
- (c) they are incurred in connection with the *action* as described in Annex I of the Specific agreement and are necessary for its implementation;
- (d) they are identifiable and verifiable, in particular they are recorded in the partner's accounting records and determined according to the applicable accounting standards of the country where the partner is established and according to the partner's usual cost accounting practices;
- (e) they comply with the requirements of applicable tax and social legislation; and
- (f) they are reasonable, justified and comply with the principle of sound financial management, in particular regarding economy and efficiency.

#### II.19.2 Eligible direct costs

To be eligible the *direct cost* of the *action* must comply with the eligibility conditions set out in Article II.19.1.

In particular, the following categories of costs are eligible *direct costs*, provided that they satisfy the eligibility conditions set out in Article II.19.1 as well as the following conditions:

- (a) the costs of personnel working under an employment contract with the partner or an equivalent appointing act and assigned to the action, provided that these costs are in line with the partner's usual policy on remuneration;

Those costs include actual salaries plus social security contributions and other statutory costs included in the remuneration. They may also comprise additional remunerations, including payments on the basis of supplementary contracts regardless of the nature of those contracts, provided that they are paid in a consistent manner whenever the same kind of work or expertise is required, independently from the source of funding used;

The costs of natural persons working under a contract with the partner other than an employment contract or who are seconded to the partner by a third party against payment may also be included under such personnel costs, provided that the following conditions are fulfilled:

- (i) the person works under conditions similar to those of an employee (in particular regarding the way the work is organised, the tasks that are performed and the premises where they are performed);
  - (ii) the result of the work belongs to the partner (unless exceptionally agreed otherwise); and
  - (iii) the costs are not significantly different from the costs of staff performing similar tasks under an employment contract with the partner;
- (b) costs of travel and related subsistence allowances, provided that these costs are in line with the partner's usual practices on travel;
- (c) the depreciation costs of equipment or other assets (new or second-hand) as recorded in the partner's accounting statements, provided that the asset:
- (i) is written off in accordance with the international accounting standards and the partner's usual accounting practices; and
  - (ii) has been purchased in accordance with Article II.10.1.

The costs of renting or leasing equipment or other assets are also eligible, provided that these costs do not exceed the depreciation costs of similar equipment or assets and are exclusive of any finance fee;

Only the portion of the equipment's depreciation, rental or lease costs corresponding to the *implementation period* set out in Article 2.2 of the Specific agreement concerned and the rate of actual use for the purposes of the *action* may be taken into account when determining the *eligible costs*. By way of exception, the Special Conditions or the Specific agreement may provide for the eligibility of the full cost of purchase of equipment, if this is justified by the nature of the *action* and the context of the use of the equipment or assets;

- (d) Costs of rental directly linked with the implementation of the work programme, this includes rent of premises/offices and charges of equipment for the duration of the work programme and for offices, for the surface dedicated to the implementation of the work programme.
- (e) *Other costs include:*

\* costs of consumables and supplies, provided that they:

- (i) are purchased in accordance with Article II.10.1; and
- (ii) are directly assigned to the *action*;

\* costs arising directly from requirements imposed by the Framework agreement or the Specific agreement (dissemination of information, specific evaluation of the *action*, audits, translations, reproduction), including the costs of requested financial guarantees, provided that the corresponding services are purchased in accordance with Article II.10.1;

*\* structural and support costs of an administrative, technical and logistical nature and the running costs of the organization, such as communication costs (telephone, fax, internet & e-mail, postage), insurance, maintenance of office equipment, bank charges, etc...;*

- (f) costs entailed by *subcontracts* within the meaning of Article II.11, provided that the conditions laid down in Article II.11.1 (a), (b), (c) and (d) are met;
- (g) costs of financial support to third parties within the meaning of Article II.12, provided that the conditions laid down in that Article are met: not applicable for operating grants;
- (h) duties, taxes and charges paid by the partner, notably value added tax (VAT), provided that they are included in eligible *direct costs*, and unless specified otherwise in the Special Conditions or in the Specific agreement.

### **II.19.3 Eligible indirect costs**

To be eligible, *indirect costs* of the *action* must represent a fair apportionment of the overall overheads of the partner and must comply with the conditions of eligibility set out in Article II.19.1.

Eligible *indirect costs* must be declared on the basis of a flat rate of 7% of the total eligible direct costs unless otherwise specified in Article 3.2 of the Specific agreement.

### **II.19.4 Ineligible costs**

In addition to any other costs which do not fulfil the conditions set out in Article II.19.1, the following costs may not be considered eligible:

- (a) return on capital and dividends paid by the partner;
- (b) debt and debt service charges;
- (c) provisions for losses or debts;
- (d) interest owed;
- (e) doubtful debts;
- (f) exchange losses;
- (g) costs of transfers from the Agency charged by the bank of the partner;
- (h) costs declared by the partner under another action receiving a grant financed from the Union budget. Such grants include grants awarded by a Member State and financed from the Union budget and grants awarded by bodies other than the Agency for the purpose of implementing the Union budget. In particular, if the partner receives an operating grant financed by the EU or Euratom budget, it may not declare indirect costs for the period(s) covered by the operating grant, unless it can demonstrate that the operating grant does not cover any costs of the action.
- (i) contributions in kind from third parties;
- (j) excessive or reckless expenditure;
- (k) deductible VAT.

## **ARTICLE II.20 – IDENTIFIABILITY AND VERIFIABILITY OF THE AMOUNTS DECLARED**

### **II.20.1 Declaring costs and contributions**

The partner must declare as eligible costs or as a requested contribution:

- (a) for actual costs: the costs it actually incurred for the *action*;
- (b) for unit costs or unit contributions: the amount obtained by multiplying the amount per unit specified in Article 3.2(a)(ii) or (b) of the Specific agreement by the actual number of units used or produced;
- (c) for lump sum costs or lump sum contributions: the global amount specified in Article 3.2(a)(iii) or (c) of the Specific agreement, if the corresponding tasks or part of the *action* as described in Annex I of the Specific agreement have been implemented properly;
- (d) for flat-rate costs or flat-rate contributions: the amount obtained by applying the flat rate specified in Article 3.2(a)(iv) or (d) of the Specific agreement;
- (e) for financing not linked to costs: the global amount specified in Article I.3.2(e), if the corresponding results or conditions as described in Annex I have been properly achieved or fulfilled;
- (f) for unit costs declared on the basis of the partner's usual cost accounting practices: the amount obtained by multiplying the amount per unit calculated in accordance with the partner's usual cost accounting practices by the actual number of units used or produced;
- (g) for lump sum costs declared on the basis of the partner's usual cost accounting practices: the global amount calculated in accordance with its usual cost accounting practices, if the corresponding tasks or part of the *action* have been implemented properly;
- (h) for flat-rate costs declared on the basis of the partner's usual cost accounting practices: the amount obtained by applying the flat rate calculated in accordance with the partner's usual cost accounting practices.

### **II.20.2 Records and other documentation to support the costs and contributions declared**

The partner must provide the following if requested to do so in the context of the checks or audits described in Article II.27:

- (a) for actual costs: adequate supporting documents to prove the costs declared, such as contracts, invoices and accounting records.

In addition, the partner's usual accounting and internal control procedures must permit direct reconciliation of the amounts declared with the amounts recorded in its accounting statements and with the amounts indicated in the supporting documents;

- (b) for unit costs or unit contributions: adequate supporting documents to prove the number of units declared.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared per unit;

- (c) for lump sum costs or lump sum contributions: adequate supporting documents to prove that the *action* has been properly implemented.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a lump sum;

- (d) for flat-rate costs or flat-rate contributions: adequate supporting documents to prove the eligible costs or requested contribution to which the flat rate applies.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, for the flat rate applied;

- (e) for financing not linked to costs: adequate supporting documents to prove that the *action* has been properly implemented;

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a financing not linked to costs;

- (f) for unit costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove the number of units declared;

- (g) for lump sum costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove that the *action* has been properly implemented;

- (h) for flat-rate costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove the eligible costs to which the flat rate applies.

### **II.20.3 Conditions to determine the compliance of cost accounting practices**

**II.20.3.1** In the case of points (f), (g) and (h) of Article II.20.2, the partner does not need to identify the actual eligible costs covered, but it must ensure that the cost accounting practices used for the purpose of declaring eligible costs are in compliance with the following conditions:

- (a) the cost accounting practices used constitute its usual cost accounting practices and are applied in a consistent manner, based on objective criteria independent from the source of funding;
- (b) the costs declared can be directly reconciled with the amounts recorded in its general accounts; and
- (c) the categories of costs used for the purpose of determining the costs declared are exclusive of any ineligible cost or costs covered by other forms of grant as provided for in Article 3.2 of the Specific agreement.

**II.20.3.2** If the Specific agreement so provides, the partner may submit to the Agency a request asking it to assess the compliance of its usual cost accounting practices. If required by the Specific agreement, the request must be accompanied by a certificate on the compliance of the cost accounting practices ('certificate on the compliance of the cost accounting practices').

The certificate on the compliance of the cost accounting practices must be:

- (a) produced by an approved auditor or, if the partner is a public body, by a competent and independent public officer; and
- (b) drawn up in accordance with Annex VII.

The certificate must certify that the partner's cost accounting practices used for the purpose of declaring eligible costs comply with the conditions laid down in Article II.20.3.1 and with the additional conditions that may be laid down in the Special conditions or in the Specific agreement.

**II.20.3.3** If the Agency has confirmed that the partner's usual cost accounting practices are in compliance, costs declared in application of these practices may not be challenged *ex post*, if:

- (a) the practices actually used comply with those approved by the Agency; and
- (b) the partner did not conceal any information for the purpose of the approval of its cost accounting practices.

## **ARTICLE II.21 – ELIGIBILITY OF COSTS OF ENTITIES AFFILIATED TO THE PARTNER**

If the Special Conditions or the Specific agreement contain a provision on entities affiliated to the partner, costs incurred by such an entity are eligible, if:

- (i) they satisfy the same conditions under Articles II.19 and II.20 as apply to the partner, and
- (ii) the partner ensures that the conditions applicable to it under Articles II.4, II.5, II.6, II.8, II.10, II.11 and II.27 are also applicable to the entity.

## **ARTICLE II.22 – BUDGET TRANSFERS**

The partner is allowed to adjust the estimated budget set out in Annex II of the Specific agreement, by transfers between the different budget categories if the action is implemented as described in Annex I of the Specific agreement. This adjustment does not require an amendment of the Specific agreement as provided for in Article II.13.

However, the partner may not add costs relating to *subcontracts* not provided for in Annex I of the Specific agreement, unless such additional *subcontracts* are approved by the Agency in accordance with Article II.11.1(d).

The first two subparagraphs do not apply to amounts which, as provided for in Article 3.2(a)(iii) or (c) of the Specific agreement, take the form of lump sums.

## **ARTICLE II.23 – NON-COMPLIANCE WITH THE REPORTING OBLIGATIONS**

The Agency may terminate the Framework agreement or a Specific agreement as provided for in Article II.17.2.2(b) and may reduce the specific grant as provided for in Article II.25.4 if the partner:

- (a) did not submit a request for interim payment or payment of the balance accompanied by the documents referred to in Articles 4.3 or 4.4 of the Specific agreement within 60 calendar days following the end of the corresponding reporting period; and
- (b) still fails to submit such a request within further 60 calendar days following a written reminder sent by the Agency.

## **ARTICLE II.24 – SUSPENSION OF PAYMENTS AND TIME LIMIT FOR PAYMENT**

### **II.24.1 Suspension of payments**

#### **II.24.1.1 Grounds for suspension**

The Agency may, at any time during the implementation of the Specific agreement, suspend, in whole or in part, the pre-financing payments, interim payments or payment of the balance:

- (a) if the Agency has evidence that the partner has committed *irregularities, fraud or breach of obligations* in the award procedure or while implementing the Framework agreement or a Specific agreement or if the partner fails to comply with its obligations under the Framework agreement or the Specific agreement;
- (b) if the Agency has evidence that the partner has committed systemic or recurrent errors, *irregularities, fraud* or serious breach of obligations in other grants funded by the Union or the European Atomic Energy Community ('Euratom') awarded to the partner under similar conditions and such *irregularities, fraud or breach of obligations* have a material impact on a specific grant awarded under the Framework agreement; or
- (c) if the Agency suspects *substantial errors, irregularities, fraud* or breach of obligations committed by the partner in the award procedure or while implementing

the Framework agreement or the Specific agreement and needs to verify whether they have actually occurred.

### **II.24.1.2 Procedure for suspension**

**Step 1** — Before suspending payments, the Agency must send a *formal notification* to the partner:

- (a) informing it of:
  - (i) its intention to suspend payments;
  - (ii) the reasons for suspension;
  - (iii) in the cases referred to in points (a) and (b) of Article II.24.1.1, the conditions that need to be met for payments to resume; and
- (b) inviting it to submit observations within 30 calendar days of receiving the *formal notification*.

**Step 2** — If the Agency does not receive observations or decides to pursue the procedure despite the observations it has received, it must send a *formal notification* to the partner informing it of:

- (a) the suspension of payments;
- (b) the reasons for suspension;
- (c) the final conditions under which payments may resume in the cases referred to in points (a) and (b) of Article II.24.1.1;
- (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.24.1.1.

The suspension takes effect on the day the Agency sends *formal notification* of suspension (Step 2).

Otherwise, the Agency must send a *formal notification* to the partner informing it that it is not continuing with the suspension procedure.

### **II.24.1.3 Effects of suspension**

During the period of suspension of payments the partner is not entitled to submit any requests for payments and supporting documents referred to in Articles 4.2, 4.3 and 4.4 of the Specific agreement.

The corresponding requests for payments and supporting documents may be submitted as soon as possible after resumption of payments or may be included in the first request for payment due following resumption of payments in accordance with the schedule laid down in Article 4.1 of the Specific agreement.

The suspension of payments does not affect the right of the partner to suspend the implementation of the *action* as provided for in Article II.16.1 or to terminate the Framework agreement or the Specific agreement as provided for in Article II.17.1.2.

#### **II.24.1.4 Resuming payments**

In order for the Agency to resume payments, the partner must meet the notified conditions as soon as possible and must inform the Agency of any progress made.

If the conditions for resuming payments are met, the suspension will be lifted. The Agency will send a *formal notification* to the partner informing it of this.

#### **II.24.2 Suspension of the time limit for payments**

**II.24.2.1** The Agency may at any moment suspend the time limit for payment specified in Articles 5.2, 5.3 and 5.4 of the Specific agreement if a request for payment cannot be approved because:

- (a) it does not comply with the Specific agreement or the Framework agreement;
- (b) the appropriate supporting documents have not been produced; or
- (c) there is a doubt about the eligibility of the costs declared in the financial statements and additional checks, reviews, audits or investigations are necessary.

**II.24.2.2** The Agency must send a *formal notification* to the partner informing it of:

- (a) the suspension; and
- (b) the reasons for the suspension.

The suspension takes effect on the day the Agency sends the *formal notification*.

**II.24.2.3** If the conditions for suspending the payment deadline are no longer met, the suspension will be lifted and the remaining period will resume.

If the suspension exceeds two months, the partner may request the Agency if the suspension will continue.

If the payment deadline has been suspended because the technical reports or financial statements do not comply with the Specific agreement or the Framework agreement and the revised report or statement is not submitted or was submitted but is also rejected, the Agency may terminate the Specific agreement and the Framework agreement as provided for in Article II.17.2.2(b) and reduce the grant as provided for in Article II.25.4.

## **ARTICLE II.25 – CALCULATION OF THE FINAL AMOUNT OF THE SPECIFIC GRANT**

The final amount of the specific grant depends on the extent to which the *action* has been implemented in accordance with the terms of the Framework agreement and the Specific grant.

The final amount of the grant is calculated by the Agency at the time of the payment of the balance. The calculation involves the following steps:

Step 1 — Application of the reimbursement rate to the eligible costs and addition of the unit, flat-rate and lump sum contributions

Step 2 — Limit to the *maximum amount of the grant*

Step 3 — Reduction due to the no-profit rule

Step 4 — Reduction due to improper implementation or breach of other obligations.

### **II.25.1 Step 1 — Application of the reimbursement rate to the eligible costs and addition of the financing not linked to costs, unit, flat-rate and lump sum contributions**

This step is applied as follows:

- (a) If, as provided for in Article 3.2(a) of the Specific agreement, the grant takes the form of the reimbursement of eligible costs, the reimbursement rate specified in that Article is applied to the eligible costs of the *action* approved by the Agency for the corresponding categories of costs, for the partner and its affiliated entities;
- (b) If, as provided for in Article 3.2(b) of the Specific agreement, the grant takes the form of a unit contribution, the unit contribution specified in that Article is multiplied by the actual number of units approved by the Agency for the partner and its affiliated entities;
- (c) If, as provided for in Article 3.2(c) of the Specific agreement, the grant takes the form of a lump sum contribution, the Commission applies the lump sum specified in that Article for the partner and its affiliated entities if it finds that the corresponding tasks or part of the *action* were implemented properly in accordance with Annex I of the Specific agreement;
- (d) If, as provided for in Article 3.2(d) of the Specific agreement, the grant takes the form of a flat-rate contribution, the flat rate referred to in that Article is applied to the eligible costs or to the contribution approved by the Commission for the partner and its affiliated entities.

If Article 3.2 of the Specific agreement provides for a combination of different forms of grant, the amounts obtained must be added together.

### **II.25.2 Step 2 — Limit to *maximum amount of the grant***

The total amount paid to the partner by the Agency may in no circumstances exceed the *maximum amount of the grant*.

If the amount obtained following Step 1 is higher than this maximum amount, the final amount of the grant is limited to the latter.

### II.25.3 Step 3 — Reduction due to the no-profit rule

The grant may not produce a profit for the beneficiary, unless specified otherwise in the Special Conditions.

The profit must be calculated as follows:

- (a) calculate the surplus of the total receipts of the action, over the total eligible costs of the action, as follows:

{ receipts of the action

minus

the consolidated total eligible costs and contributions approved by the Commission corresponding to the amounts determined in accordance with Step 1 }

The receipts of the action are calculated as follows:

{ the revenue generated by the *action* for the beneficiary and its affiliated entities other than non-profit organisations

plus

the amount obtained following Steps 1 and 2 }

The revenue generated by the *action* is the consolidated revenue established, generated or confirmed for the beneficiary and its affiliated entities other than non-profit organisations on the date on which the request for payment of the balance is drawn up by the beneficiary.

The following are not considered receipts:

- (i) in kind and financial contributions made by third parties,
- (ii) in case of an operating grant, amounts dedicated to the building up of reserves.
- (b) If the amount calculated under (a) is positive, this amount will be deducted from the amount calculated following Steps 1 and 2 in proportion to the final rate of reimbursement of the actual eligible costs of the *action* approved by the Commission for the categories of costs referred to in Article I.3.2(a)(i).

#### **II.25.4 Step 4 — Reduction due to improper implementation or breach of other obligations**

The Agency may reduce the *maximum amount of the grant* if the *action* has not been implemented properly as described in Annex I of the Specific agreement (i.e. if it has not been implemented or has been implemented poorly, partially or late), or if another obligation under the Framework agreement or the Specific agreement has been breached.

The amount of the reduction will be proportionate to the degree to which the *action* has been implemented improperly or to the seriousness of the breach.

Before the Agency reduces the grant, it must send a *formal notification* to the partner:

- (a) informing it of:
  - (i) its intention to reduce the *maximum amount of the grant*;
  - (ii) the amount by which it intends to reduce the grant;
  - (iii) the reasons for reduction; and
- (b) inviting it to submit observations within 30 calendar days of receiving the formal notification.

If the Agency does not receive any observations or decides to pursue reduction despite the observations it has received, it will send a *formal notification* informing the partner of its decision.

If the grant is reduced, the Agency must calculate the reduced grant amount by deducting the amount of the reduction (calculated in proportion to the improper implementation of the *action* or to the seriousness of the breach of obligations) from the *maximum amount of the grant*.

The final amount of the grant will be the lower of the following two:

- (a) the amount obtained following Steps 1 to 3; or
- (b) the reduced grant amount following Step 4.

### **ARTICLE II.26 – RECOVERY**

#### **II.26.1 Recovery**

Where an amount is to be recovered under the terms of the Framework agreement and any Specific agreement, the partner must repay the Agency the amount in question.

The partner is responsible for the repayment of any amount unduly paid by the Agency as a contribution towards the costs incurred by its affiliated entities.

#### **II.26.2 Recovery procedure**

Before recovery, the Agency must send a *formal notification* to the partner

- (a) informing it of its intention to recover the amount unduly paid;
- (b) specifying the amount due and the reasons for recovery; and
- (c) inviting the partner to make any observations within a specified period.

If no observations have been submitted or if, despite the observations submitted by the partner, the Agency decides to pursue the recovery procedure, the Agency may confirm recovery by sending a *formal notification* to the partner consisting of a debit note, specifying the terms and the date for payment.

If payment has not been made by the date specified in the debit note, the Agency will recover the amount due:

- (a) by offsetting it, without the partner's prior consent, against any amounts owed to the partner by the Agency (from the Union or the European Atomic Energy Community (Euratom) budget (“offsetting”));

In exceptional circumstances, to safeguard the financial interests of the Union, the Agency may offset before the due date.

An action may be brought against such offsetting before the General Court of the European Union in accordance with Article 263 TFEU;

- (b) by drawing on the financial guarantee where provided for in accordance with Article 5.2 of the Specific agreement (“drawing on the financial guarantee”);
- (c) by taking legal action as provided for in Article II.18.2 or in the Special Conditions or by adopting an enforceable decision as provided for in Article II.18.3.

### **II.26.3 Interest on late payment**

If payment is not made by the date in the debit note, the amount to be recovered will be increased by late payment interest at the rate set out in Article 5.6 of the Specific agreement from the day following the date for payment in the debit note, up to and including the date the Agency receives full payment of the amount.

Partial payment must first be credited against charges and late payment interest and then against the principal.

### **II.26.4 Bank charges**

Bank charges incurred in the recovery process must be borne by the partner, unless Directive 2007/64/EC<sup>6</sup> applies.

## **ARTICLE II.27 – CHECKS, AUDITS AND EVALUATION**

### **II.27.1 Technical and financial checks, audits, interim and final evaluations**

The Agency and/or the Commission may, during the implementation of the *action* or afterwards, carry out technical and financial checks and audits to determine that the partner is implementing the *action* properly and is complying with the obligations under the Specific agreement or the Framework agreement. It may also check the partner's statutory records for the purpose of periodic assessments of lump sum, unit cost or flat-rate amounts.

Information and documents provided as part of checks or audits must be treated on a confidential basis.

In addition, the Agency and/or the Commission may carry out an interim or final evaluation of the impact of the *action* measured against the objective of the Union programme concerned.

Agency and/or Commission checks, audits or evaluations may be carried out either directly by the Agency's or Commission own staff or by any other outside body authorised to do so on its behalf.

The Agency and/or the Commission may initiate such checks, audits or evaluations during the implementation of the Specific agreement and during a period of five years starting from the date of payment of the balance for the action concerned. This period is limited to three years if the *maximum amount of the grant* is not more than EUR 60 000.

The check, audit or evaluation procedures are considered to be initiated on the date of receipt of the letter of the Agency and/or the Commission announcing it.

If the audit is carried out on an affiliated entity, the partner must inform that affiliated entity.

### **II.27.2 Duty to keep documents**

The partner must keep all original documents, especially accounting and tax records, stored on any appropriate medium, including digitalised originals when they are authorised by its national law and under the conditions laid down therein, during a period of five years starting from the date of payment of the balance for the action concerned.

---

<sup>6</sup> Directive 2007/64/EC<sup>6</sup> of the European Parliament and of the Council of 13 November 2007 on payment services in the internal market amending Directives 97/7/EC, 2002/65/EC, 2005/60/EC and 2006/48/EC and repealing Directive 97/5/EC.

This period during which documents must be kept is limited to three years if the *maximum amount of the grant* is not more than EUR 60 000.

The periods set out in the first and second subparagraphs are longer if there are on-going audits, appeals, litigation or pursuit of claims concerning the grant, including in the cases referred to in Article II.27.7. In such cases, the partner must keep the documents until such audits, appeals, litigation or pursuit of claims have been closed.

### **II.27.3 Obligation to provide information**

The partner must provide any information, including information in electronic format, requested by the Agency, or by any other outside body authorised by the Agency and/or the Commission.

If the partner does not comply with the obligation set out in the first subparagraph, the Agency and/or the Commission may consider:

- (a) any cost insufficiently substantiated by information provided by the partner as ineligible;
- (b) any unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the partner as undue.

### **II.27.4 On-the-spot visits**

During an on-the-spot visit, the partner must allow Agency staff and/or the Commission and outside personnel authorised by the Agency and/or the Commission to have access to the sites and premises where the *action* concerned is or was carried out, and to all the necessary information, including information in electronic format.

The partner must ensure that the information is readily available at the moment of the on-the-spot visit and that information requested is handed over in an appropriate form.

If the partner refuses to provide access to the sites, premises and information as required in the first and second subparagraphs, the Agency and/or the Commission may consider:

- (a) any cost insufficiently substantiated by information provided by the partner as ineligible;
- (b) any unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the partner as undue.

### **II.27.5 Contradictory audit procedure**

On the basis of the findings made during the audit, a provisional report (“draft audit report”) must be drawn up. It must be sent by the Agency and/or the Commission or its authorised representative to the partner, which must have 30 calendar days from the date of receipt to submit observations. The final report (“final audit report”) must be sent to the partner within 60 calendar days of expiry of the time limit for submission of observations.

### **II.27.6 Effects of audit findings**

On the basis of the final audit findings, the Agency and/or the Commission may take the measures it considers necessary, including recovery of all or part of the payments made by it under the Specific agreement concerned, as provided for in Article II.26.

In the case of final audit findings after the payment of the balance, the amount to be recovered corresponds to the difference between the revised final amount of the specific grant, determined in accordance with Article II.25, and the total amount paid to the partner under the Specific agreement for the implementation of the *action*.

### **II.27.7 Correction of systemic or recurrent errors, irregularities, fraud or breach of obligations**

**II.27.7.1** The Agency may extend audit findings from other grants to a specific grant awarded under the Framework agreement if:

- (a) the partner is found to have committed systemic or recurrent *irregularities, fraud or breach of obligations* in other EU or Euratom grants awarded under similar conditions and such *irregularities, fraud or breach of obligations* have a material impact on a specific grant awarded under the Framework agreement; and
- (b) the final audit findings are sent to the partner through a *formal notification*, together with the list of grants affected by the findings within the period referred to in Article II.27.1.

The extension of findings may lead to:

- (a) the rejection of costs as ineligible;
- (b) reduction of the grant as provided for in Article II.25.4;
- (c) recovery of undue amounts as provided for in Article II.26;
- (d) suspension of payments as provided for in Article II.24.1;
- (e) suspension of the *action* implementation as provided for in Article II.16.2;
- (f) termination as provided for in Article II.17.2.

**II.27.7.2** The Agency must send a *formal notification* to the partner informing it of the systemic or recurrent errors and of its intention to extend the audit findings, together with the list of grants affected.

- (a) If the findings concern eligibility of costs the procedure is as follows:

**Step 1** — The *formal notification* must include:

- (i) an invitation to submit observations on the list of grants affected by the findings;
- (ii) a request to submit revised financial statements for all grants affected;

(iii) where possible, the correction rate for extrapolation established by the Agency to calculate the amounts to be rejected on the basis of the systemic or recurrent errors, *irregularities, fraud* or breach of obligations, if the partner:

- considers that the submission of revised financial statements is not possible or practicable; or
- will not submit revised financial statements.

**Step 2** — The partner has 60 calendar days from when it receives the *formal notification* to submit observations and revised financial statements or to propose a duly substantiated alternative correction method. This period may be extended by the Agency in justified cases.

**Step 3** — If the partner submits revised financial statements that take account of the findings the Agency will determine the amount to be corrected on the basis of those revised statements.

If the partner proposes an alternative correction method and the Agency accepts it, the Agency must send a *formal notification* to the partner informing it:

- (i) that it accepts the alternative method;
- (ii) of the revised eligible costs determined by applying this method.

Otherwise the Agency must send a *formal notification* to the partner informing it:

- (i) that it does not accept the observations or the alternative method proposed;
- (ii) of the revised eligible costs determined by applying the extrapolation method initially notified to the partner.

If the systemic or recurrent *irregularities, fraud* or *breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant, determined in accordance with Article II.25 on the basis of the revised eligible costs declared by the partner and approved by the Agency or on the basis of the revised eligible costs after extrapolation; and
- (ii) the total amount paid to the partner under the Specific agreement for the implementation of the *action*;

(b) If the findings concern improper implementation or a breach of another obligation the procedure is as follows:

**Step 1** — The *formal notification* must include:

- (i) an invitation to the partner to submit observations on the list of grants affected by the findings and
- (ii) the correction flat rate the Agency intends to apply to the *maximum amount of the grant* or to part of it, according to the principle of proportionality.

**Step 2** — The partner has 60 calendar days from receiving the *formal notification* to submit observations or to propose a duly substantiated alternative flat-rate.

**Step 3** — If the Agency accepts the alternative flat rate proposed by the partner, it must send a *formal notification* to the partner informing it:

- (i) that it accepts the alternative flat-rate;
- (ii) of the corrected grant amount by applying this flat rate.

Otherwise the Agency must send a *formal notification* to the partner informing it:

- (i) that it does not accept the observations or the alternative flat rate proposed;
- (ii) of the corrected grant amount by applying the flat rate initially notified to the partner.

If the systemic or recurrent *irregularities, fraud or breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant and
- (ii) the total amount paid to the partner under the Specific agreement for the implementation of the *action*.

## **II.27.8 Checks and inspections by OLAF**

The European Anti-Fraud Office (OLAF) has the same rights as the Agency, particularly the right of access, for the purpose of checks and investigations.

Under Council Regulation (Euratom, EC) No 2185/96<sup>7</sup> and Regulation (EU, Euratom) No 883/2013<sup>8</sup> OLAF may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the Union against *fraud* and other *irregularities*.

Where appropriate, OLAF findings may lead to the Agency recovering amounts from the partner.

Moreover, findings arising from an OLAF investigation may lead to criminal prosecutions under national law.

## **II.27.9 Checks and audits by the European Court of Auditors and EPPO**

The European Court of Auditors and the European Public Prosecutor's Office established by Council Regulation (EU) 2017/1939 have the same rights as the Agency, particularly the right of access, for the purpose of checks, audits and investigations.
