Privacy policy statement

Your personal data are processed in accordance with Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

The controller of the processing operation is Vincent Berrutto, Head of Unit B1 at EASME.

The legal basis of the processing operation is Article 5(a) –processing necessary for the performance of a task carried out in the public interest- and Article 5(d) –the data subject has unambiguously given his consent- of Regulation (EC) No 45/2001.

The purpose of this processing operation is to facilitate the registration of interested persons at the Information Day on Horizon 2020 'Secure, Clean and Efficient Energy' Societal Challenge Energy Efficiency Call for proposals 2017, as well as facilitate the participants organising bilateral meetings with other participants, the follow-up of the event, including related communication purposes and invitation to next year event. These data serve to include you in the participants list, which will be distributed electronically prior and during the event.

Please note that the event will be **web-streamed** from the EASME web site (www.europa.easme.eu) and it is possible that you will be recorded. It is also possible that the **photographs** of you will be taken during the event and might be used for event related communication purposes. From 9:15am till 10:30am there will be a possibility to attend the event in rooms Jenkins and Mansholt, where no recording will take place. No such possibility is foreseen in the afternoon.

The following personal data are collected: name and title of the participants, organisation, and business contact details (e-mail address, phone numbers, Twitter account).

The replies to the questions are **mandatory** if indicated as such, as the information requested is necessary to facilitate the registration process.

The recipients of your data will be relevant EASME staff, agents of the security personnel, contractors in charge of the organisation of the event, and bodies charged with monitoring or inspection tasks in application of Union law (e.g. internal audits, European Anti-fraud Office – OLAF, European Court of Auditors) as well as participants of the Information Day.

Your data will be retained for a maximum period of twelve months after the event. Data will be automatically removed at the end of this period.

You have the right to access your personal data and the right to correct any inaccurate or incomplete personal data. If you have any queries concerning the processing of your personal data, you may address them to the Vincent Berrutto, Head of Unit B1 (entity acting as data controller), at the following email: EASME-H2020-Info-Days@ec.europa.eu. Participants shall have right of recourse at any time to the European Data Protection Supervisor (<https://secure.edps.europa.eu/EDPSWEB>).
