QB2: How important or not do you think it is that the EU helps to coordinate the response to disasters in the EU? (%)

QB3: Please tell me to what extent you agree or disagree with each of the following statements (%)

If a disaster happens in (OUR COUNTRY), you would expect other EU countries to provide help

The EU should help in a coordinated manner any country worldwide hit by disasters by sending experts and equipment to affected areas

Coordinated EU action in dealing with disasters is more effective than actions by individual countries

(OUR COUNTRY) has sufficient means to deal with all major disasters on its own

The EU needs a civil protection policy because major disasters can have cross-border effects
