Adviser, Knowledge Economy and Special Surveys Statistics Division		
<b>Name</b>	Jurgita Lavroviene	
<b>Phone number</b>	370 652 70 987	
<b>Email address</b>	<a href="mailto:jurgita.lavroviene@stat.gov.lt">jurgita.lavroviene@stat.gov.lt</a>	
Methodology		
<b>Population &amp; frame list</b>	<b>Population unit</b>	Firm/enterprise
	<b>Do you apply a cut-off?</b>	yes
	<i>If yes, specify</i>	firms with $\geq 5$ employees and $\geq 10000$ eur turnover are surveyed
	<b>Population size (before cut-off)</b>	45510
	<b>Survey sampling frame</b>	Business register
	<i>If other, specify</i>	
	<b>Size of sampling frame</b>	10771
	<b>Weighted frame coverage</b>	100.0%
<b>Frequency of update of the sampling frame</b>	At least every year	
<b>Sampling &amp; accuracy</b>	<b>Sampling method</b>	Stratified sampling (e.g. branch, firm size etc.)
	<i>If applicable: variables used for strata/quota definition</i>	Enterprises are assigned to strata according to the kind of activity and the number of employees. In each stratum a random sample of enterprises is drawn using the Neyman (optimum) allocation.
	<i>Comments, if any</i>	
	<b>Weighting scheme</b>	yes
	<i>If yes, weights applied at firm level</i>	Turnover
	<i>If yes, weights applied at branch level</i>	Employment
	<i>If other, specify</i>	
	<b>Panel sampling</b>	no
	<i>if yes, describe the process for panel refreshment</i>	
	<b>Number of units contacted (per month)</b>	885
	<b>Number of units replying to the survey (per month)</b>	853
	<b>Response rate</b>	96.4%
	<b>Weighted sample coverage</b>	49.5%
<b>Treatment of unit non-response</b>	None	
<i>Remarks</i>		
<b>Treatment of item non-response</b>	None	
<i>Remarks</i>	All statistical survey indicators are filled in, there are no blank values.	
<b>Data collection</b>	<b>Survey method</b>	Mixed mode
	<i>If mixed mode, specify the distribution between modes</i>	Statistical data are collected via the electronic statistical data preparation and transmission system e-Statistics - 99%, by phone - 1%
	<b>Fieldwork period - usual start date</b>	The first day of the month
	<b>Fieldwork period - usual end date</b>	20th day of the month
<b>Additional remarks on the methodology</b>
