Clear writing for Europe will be a chance to exchange ideas for ways to communicate more clearly in writing with the citizens of Europe, to share experiences and to learn about the EU institutions' work in this area.

It will be an opportunity to:

- raise awareness about the importance and benefits of clear writing and emphasise the need for clear and inclusive language
- promote cooperation, improve knowledge sharing and exchange best practices.

Join us to get inspired, learn more, and build your networks! This event will also be a chance to look to

the future and see what we can all do to promote a clear writing culture in Europe.

This conference is being hosted by the team within the Commission's Directorate-General for Translation behind the clear writing campaign. The team is working in partnership with other EU institutions to showcase EU efforts on clear and effective written communication with EU citizens.
