Age-friendly environments in Poland, 9 + 10 May 2019

EIPonAHA Action Group meeting D4: Age-friendly buildings, cities and environments

The next open access meeting of Action Group D4 Age-friendly buildings, cities and environments, part of the European Innovation Partnership on Active and Healthy Ageing takes place in Krakow, Poland. The D4-tour started in Valencia in 2016, went to Hamburg in 2017 and to Manchester in 2018. Now it is time to go east: to Poland.

The meeting will focus on the recent developments in the field of active and healthy ageing and more specific on age-friendly environments, such as age-friendly environments policies and experiences in Poland, European age-friendly housing certification, smart healthy age-friendly environments, and the future of EIPonAHA beyond 2020. Participants who wants to present their own projects, are welcome to sign in.
