Inform-Prioritize-Collaborate: Cooperation of Regions on Innovation in Forest Management, Use of Wood and Forest-related Services

Started in 2014 as a joint initiative of relevant European organizations interested in keeping vital and innovative the forest-based sector, the 3rd edition of the European Workshop devoted to Forest innovation will take place on 26 April 2018 in Brussels.

The main objectives of the 3rd edition are:

- Presenting relevant innovative initiatives from all over Europe, with a special attention to EIP AGRI Operational Groups;
- Connecting experts and practitioners to further improve existing projects and provide inspiration;
- Encourage further public and private investments in innovative projects devoted to forest-based economy.

For more information visit the website [1] of the event.
