EIP-AGRI Focus Group on Soil Organic Matter content in Mediterranean regions: Final Report

Author(s):

EIP-AGRI Service Point

Year of publication:

2015

Publication abstract (English):

This report is the result of the EIP-AGRI Focus Group (FG) on Soil organic matter (SOM) content in Mediterranean regions, which was launched under the European Innovation Partnership Agricultural Productivity and Sustainability (EIP-AGRI). The Focus Group brought together 19 experts with different backgrounds and experiences to make recommendations on transferable innovative solutions for the purpose of improving soil organic matter content in the Mediterranean region in a cost-effective way while securing soil functionality and soil fertility in the specific context of Mediterranean regions. Spanish translation courtesy of the RRN (Red Rural Nacional).
