### **Deadline: 31 December 2018**

Anders Wall Award grants a prize to private individuals who have made a special contribution to the rural environment within the European Union.

Anders Wall Foundation (Stockholm) is organised in association with the European Commission, Directorate General for the Environment, Brussels, the Royal Swedish Academy of Agriculture and Forestry and the "Friends of the Countryside".

Applicants' achievements should preferably include the following elements:

- Preserving and enhancing the landscape.
- Providing biodiversity.
- Preserving the countryside's cultural heritage.
- Contributing to sustainable economic local development.

The landowner of the selected project will receive a diploma of recognition and a prize of €20,000.

**Submit your project and share your success!**

**Deadline: 31 December 2018**
