First Innovative Enterprise week “Access to Finance for Research, Innovation and SMEs 2015” is a 3-day international conference on:

- the political answer to the macroeconomic situation
- ways to boost growth, jobs and competitiveness through innovation, including the investment Plan for the EU
- how the financial instruments, facilities and accompanying measures launched under Horizon 2020 can enhance access to finance for research, innovation and SMEs
- interactions between these financial instruments, COSME's and European Structural & Investment Funds (ESIF), as well as with instruments at national and local levels.

The conference will bring together high-level policy-makers, financial intermediaries and representatives of the research, innovation and business communities.

Registration will open on 1 March 2015.
