

Photo competition: International Year of Plant Health

Update: 10 March 2020

<https://ec.europa.eu/eip/agriculture/en/news/photo-competition-international-year-plant-health>

Geographical scope:

European Union

Keywords:

crop pest

plant disease

Did you know that the United Nations has declared 2020 as the **International Year of Plant Health**?

FAO estimates that up to 40% of food crops are lost to plant pests and diseases annually. They are calling on people from all over the world to submit photos that illustrate their idea of healthy or unhealthy plants.

There are prizes for the winners. Deadline 15 June 2020. [More info](#) [1].
