### Geographical scope:

European Union

Slovakia

### Keywords:

innovation

National Rural Network (NRN)

network

**Sharing EIP-AGRI innovation cannot be done without the involvement of network members, national rural networks, and other EIP-AGRI multipliers. Did you know, for instance, that more than 80 EIP-AGRI inspirational ideas have been translated into Slovak, helping innovation find its way to local farmers and foresters?**

Apart from regular translations of the monthly newsletter, the National Rural Network Slovakia has also been involved in the translation of inspirational ideas, press articles, brochures, infographics, and animated videos.

- All Slovak editions of the EIP-AGRI newsletter [are published on the newsletter page](#) [1].
- More than 80 inspirational ideas can be browsed in a Slovak translation - and this number keeps growing. You can read and download all Slovak versions of these inspirational ideas, of brochures, infographics and news items [on the EIP-AGRI website](#) [2].
- Also the [animated videos on Operational Groups and on AKIS](#) [3] can be watched with Slovak subtitles.

You can also find a full overview, and more information on the website of the National Rural Network Slovakia: <http://www.nsrv.sk/> [4]. The inspirational ideas have been listed [on an individual page](#) [5].
