

German Plant Breeding Conference
8. - 10.3.2016 in Bonn (GPZ Conference 2016)

status 17.12.15

Web: www.plantbreeding.uni-bonn.de/GPZConference2016

Program

(sections, invited speakers)

1. Statistical genetics / genomics

Mikko Sillanpää (Oulu / Finland)

An efficient genome-wide multilocus epistasis search

Gustavo de los Campos (Birmingham/Alabama/US)

TBA

2. Gene discovery

Maarten Koornneef (Cologne/Wageningen / Germany/Netherlands)

From QTL to gene and from model to crop species

Nils Stein (Gatersleben / Germany)

Gene discovery in barley - 15 years of innovation

3. Phenotyping

Francois Tardieu (Montpellier / France)

TBA

Didier Demilly (Beaucouzé / France)

TBA

4. Plant genetic resources

Peter Wenzl (Crop Diversity Trust Bonn / Germany)

The Crop Trust: Ensuring the conservation and promoting the use of plant genetic resources

Andreas Graner (Gatersleben / Germany)

Along the value chain of Ex situ Plant Genetic Resources

Amine Abbadi (Hohenlieth / Germany)

Pre-Breeding in oilseed rape: how much genetic diversity is needed?

5. Miscellaneous

Evening lecture

Rajeev Kumar Varshney (Hyderabad / India)

Exciting journey of 10 years from genomes to fields in chickpea

Post congress tours

University Campus Klein-Altendorf (near Bonn)

Research Center Jülich (IBG2 Plant Sciences, DPPN)

Time schedule

Tuesday March 8, 2016

10:00-12:00 Registration

12:00-12:15 Welcome addresses

12:15-16:55 Oral presentations (*Statistical genetics/genomics*)

17:00-18:50 Poster presentation

18:50-19:30 Evening lecture

19:30-21:30 Evening reception

Wednesday March 9, 2016

08:40-16:30 Oral presentations (*Gene discovery, Phenotyping*)

16:30-16:50 Honor Wricke-Award (Jens Léon, Bonn)

16:50-17:10 Presentation prize winner

17.15-18.30 GPZ - General assembly (German Society for Plant Breeding)
18.40-23.00 "Rhenish evening" with city walk, conference dinner and poster award

Thursday March 10, 2016

08.30-12.00 Oral presentations (*Plant genetic resources*)
12.00-12.15 Closing remarks
12.15 End of conference

Post congress tours

(Registration and payment directly at the conference)
13.30-17.00 Post congress tours to Klein-Altendorf and Jülich

Venue

Rheinische Friedrich-Wilhelms-Universität Bonn, Regina-Pacis-Weg 3, 53111 Bonn:
Main building
Adress for navigation system (entrance underground parking below the market place):
Stockenstraße 17, Bonn
Entrance side Hofgarten:
Position 50,733108 N und 7,103579 E
Entrance side city street Am Hof:
Position 50,734058 N und 7,101707 E)
Lecture halls:
Aula and lecture halls (1.Floor)
[City map](#) [Map main building](#) [Getting here](#)

Poster

Size DIN A0 Height 118,9 cm Width 84,1 cm

Conference fee

Registration Web: <http://cropsense-data.uni-bonn.de/gpz2016/>
(including conference dinner)
(excluding post congress tours)
Participant 140 €
Participant Member GPZ 120 €
PhD / Student 120 €
PhD / Student Member GPZ 100 €

Registration and Deadlines

Registration is open
Abstract Submission Deadline for oral presentations and posters: 18.01.2016
Notification of Acceptance: 25.01.2016
Registration Deadline: 28.02.2016
Conference: 08.03.2016 (08.-10.03.2016)
