Our Speakers

1. Our speakers presented great examples of initiatives which can inspire you (Don't forget Raquel's ECOPIONET OG of Day 1)
2. This is just a snapshot of a few AKIS interventions. Many more are possible, as you heard in the sessions on advisory and on CAP networks on Day 2, as well as those you can read in the AKIS4 report
3. Tomorrow (on Day 3) you will get more ideas for AKIS interventions from MS already advanced in their CAP planning
4. Don't hesitate to use this seminar to contact all our speakers for further questions and/or discussion
