Organize Meetings / Get together for Operational Groups with similar topics

- Getting the right people together → End of 2020 in Vienna
- Interactive workshop format → Speed Dating
- Participants: Operational Groups from Europe and Stakeholders, who are interested in collaborating with Operational Groups

Goal: Get to know as many different projects as possible and discover
the possibilities of collaboration

Challenges

- find updated information and updated, valide contact details
- find relevant information about the OG's work in english

- too many networking events → find a common interest and/or topic
- find possibilities to collaborate

- too little resources for meetings - especially after the official project end
