

Subgroup on Innovation

Tuesday 17 November 2015

Interactive session 1

“Shaping the priority themes for 2016”

Interactive Session I “Shaping the priority themes for 2016”

Three break-out groups organised according to the three highest ranked themes in the last subgroup meeting in June:

- **Biodiversity, ecosystem services, soil functionality and sustainable water management** (Winter garden at the ground floor)
- **Forestry** (Gray room at the 8th floor)
- **Short supply chain and rural-urban partnership** (Plenary room)

Objectives:

- What topics for each theme should be addressed in 2016? (2-3 main topics)
- How to address these topics using the tools and types of activities of the EIP-AGRI network?

Interactive Session I “Shaping the priority themes for 2016”

Linked papers:

- State of Play EIP-AGRI Focus Groups
- Focus Groups Proposals received via the EIP-AGRI website
- Main points discussed on the three highest ranked themes in the last subgroup meeting in June

Process:

- In total, 90 minutes
- Inspiring example
- On each group at the start people have 5 min to think for themselves and write down their ideas in post-its
- Discuss and narrow down the main topics to be addressed in 2016
- One contributor to report back in the plenary
