

TOP HASHTAGS

#LIVESTOCKCOUNTS

Main hashtag for communicating about the EU livestock sector, animal welfare and meat & dairy

#FRUITVEG4YOU

Official hashtag for our social media campaign aiming to increase consumption of fruits & vegetables

#DYNAMICAGRI

For communicating on advancements in agriculture: innovation, big data, machinery, markets and risk management

#FUTUREOFCAP

While this is not an official Copa&Cogeca hashtag, it will be the main one on social media for the future discussions on CAP

#FARMERS4SUSTAINABILITY

Used to differentiate our communication on the future of CAP highlighting farmers efforts to guarantee a sustainable agriculture

#FARMERS4CAP

When stating our main priorities for the future of CAP we will also add this hashtag

#ENJOYAGRIFOOD

Farmers are the first producers of quality and nutritious food & we use this hashtag to promote healthy eating habits and great recipes

#ACTBIG4RURAL

Whenever we aim to address the rural development policies and Cork Declaration together with our partners we use this hashtag,

#FAIRFOODCHAIN

Fighting for a fairer food chain which guarantees farmers a fair value for their work is essential and so is this hashtag for us

#FARMACTION

Bad market situation? Sanctions? They call for a joint and strong action from farmers, a #farmaction

We also have some seasonal
hashtags like:
#SummerAgri #AgriChristmas
#AgriEaster

Together we are stronger!

Support our communication
efforts by adding these hashtags
to your posts!
