# Fieldtrip – Cities & Food

## New business models and new ways of organising the supply chain

Visit of 3 markets illustrate the integration of the food supply chain in the city of Lyon policy and food governance.

1. Visit Halle de la Martinière, presentation of the OG FRUGAL and the explanation of the rehabilitation programme of the market (implication of the local consumers)
2. Visit of the “Super halle”, local and organic products shop will highlight the organisation of the short food supply chain.
3. Visit Halle Paul Bocuse, French gastronomy key place, with the presentation of the food policy of the Metropole of Lyon.

Speakers: Claire Delfosse, researcher at Lyon University, Fabien Chaufournier, leader of agriculture policy and food at “Metropole de Lyon”
