## **Cooperation agreement**

*(A cooperation agreement is obligatory.*

*This is a basic text, which project consortia may add and adapt)*

The partner:.....  
represented by:.....  
In the function of :.....

declares, in case of funding received from the Flemish Government, the full cooperation for the operational group (name operational group) as submitted by (name of the applicant). This project starts on and runs until .

(the name of each partner) will perform a number of tasks as described in the project proposal and this within the time limits set in the project.

The cooperation will follow the principles of 'Good Partnership':

- We have read and approved the guidelines of the programme and the corresponding project budget and understand our role in the project.
- We will regularly inform the partners on the progress of the project.
- We engage ourselves to cooperate for the preparation of reports.
- Significant changes in the project will first be discussed with the partners.
- If points of controversy arise in the course of the project, we commit ourselves to first exhaust all means to arrange this amicably.

With regard to supervision and control, we commit ourselves to all the monitoring provisions and commitments included in the project application for operational groups 2017.
