RDPs 2014-2020

Simplified cost options for
Operational Groups

Guidelines

October 2018

4 SCOs for Farmers' Economic Return

- ✓ Farm managers + workers wages
- ✓ SCOs in use for ERDF and ESF
- ✓ Farmers' conventional income
- ✓ H2020 rates

2 SCOs for Reporting farm & research personnel

- ✓ Coefficient for social contributions
- ✓ Definition of joint actions and man-days
- ✓ Justification for the SCO
- ✓ Sources of data for the calculations
- ✓ Operational/administrative implications

Costi semplificati e rendicontazione di alcune spese di partecipazione ai Gruppi Operativi

Con il presente documento si forniscono indicazioni e metodologie per la determinazione dei corrispettivi economici riconoscibili agli imprenditori agricoli per il loro impegno in azioni comuni dei GO e per la semplificazione della rendicontazione dei costi del personale.
