AGRICULTURE & INNOVATION

funded by

European
Commission

Gerhard Weiss Support Facility 'Innovation & Knowledge exchange | EIP-AGRI'

24-25 November 2021

EIP-AGRI Seminar

Turning forest innovation into practice

Innovation necessity and opportunities

Necessities:

- Global markets vs. growing labour costs
- Climate crisis

Opportunities:

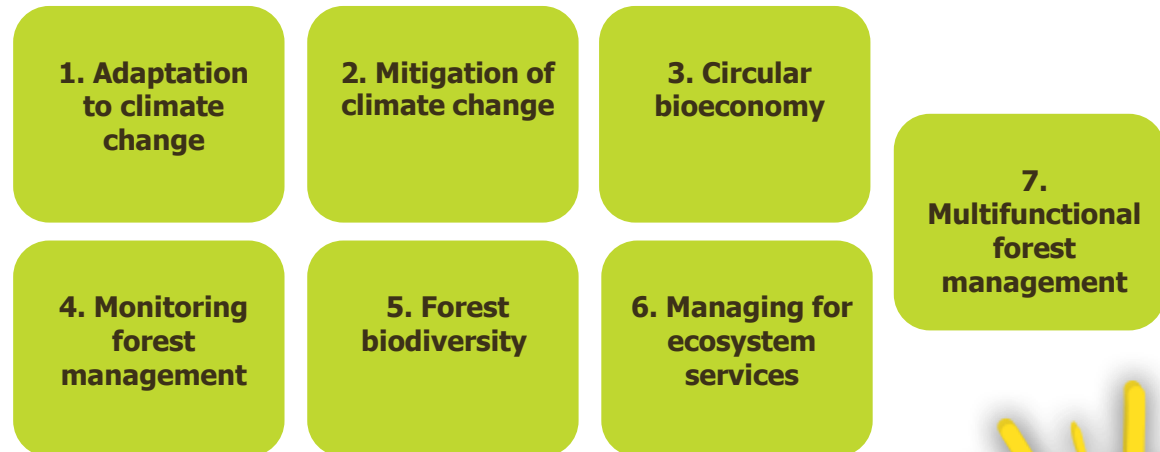

- Jobs and income in rural areas
- Sustainable, circular bioeconomy
- Multiple values of forests

Innovation necessity and opportunities

Necessities:

- Global markets vs. growing labour costs
- Climate crisis

Opportunities:

- Jobs and income in rural areas
- Sustainable, circular bioeconomy
- Multiple values of forests

Innovation processes – actors and factors

Actors (cp. participants)

- Forest owners
- Forest interest groups
- Training institutes
- Research
- Advisory services
- Public authorities
- Forest industry
- Bioeconomy

Factors (cp. questions)

- Inspiration/motivation?
- Knowledge/learning?
- Financial means?
- Collaboration?
- Multiple actors – cross-sectoral interaction?
